Newport Infant School—Geography

Topic: Pole to Pole | **Key Stage 1 Year 2** | **Strand: Locational Knowledge**

What should I already know?

- Newport is a town in England. England is a country.
- I recognise some of the features shown on maps such as churches, schools, canals and shops.
- I can use and draw simple maps for my local area.

What I will know by the end of the unit

- There are four countries in the United Kingdom and they each have a capital city

England—London
Scotland—Edinburgh
Wales—Cardiff
Northern Ireland - Belfast

- There are 7 continents in the world

Europe (this is where I live)
North America
South America
Australasia
Asia
Africa
Antarctica

- Asia is the largest continent in size, Australasia is the smallest.
- There are 5 oceans in the world

Pacific,
Atlantic,
Indian,
Southern,
Arctic

- The largest ocean is the Pacific and the smallest is the Arctic.
- The simple compass directions (North, East, South, West)

Vocabulary

Atlas	A book of maps
Capital city	A city where a countries government is located.
compass	A diagram or instrument used for navigating.
Continent	A group of countries that divide the earth into seven main parts.
country	A place that has its own government and boundary.
direction	Where something is pointing
Great Britain	A combination of the countries England, Scotland and Wales.
locate	To find something/someone
map	A drawing of all or part of Earths surface.
ocean	A huge body of salt water that stretches from continent to continent.
United Kingdom	A combination of the countries England, Scotland, Wales and Northern Ireland.

Geographical Skills and Fieldwork

- I will be able to find some countries on a world map, atlas or globe
- I will be able to label a map of the UK with each country and its capital city.
- I will be able to use a map of the world, and locate countries that Travel Ted or my peers have visited
- I will use vocab to describe location on a map, including the compass points
