Newport Infant School—Geography

Topic: Pole to Pole	Key Stage 1 Year 2	Strand: Place Knowledge

What should I already know?

- Using maps and photographs I ca identify some human and physical features such as forests, seas, beaches, towns, houses and shops.
- I can make simple comparisons between a rural town (Newport) and a coastal town (Scarborough).

What I will know by the end of the unit

- I will be able to identify the main physical and human features of Newport, the place I live
- I will be able to say similarities and differences between places that Travel Ted has visited around the world, including the weather, the physical features of the place, and the human features you would find in the place
- I will be able to describe and compare different settings from around the world, such as how a tropical Rainforest is different to The South Pole.
- I will compare the place I live to where Inuit's live, identifying similarities and differences in the physical and human geography of both places.
- I will give a preference for where I would like to live

Vocabulary

Arctic	A cold place at the top of the Earth
building	A structure built by humans.
compare	To say what is say or different. About more than one thing.
describe	To explain what you see or saw
difference	To say what is different about things.
