Newport Infant School—Computing

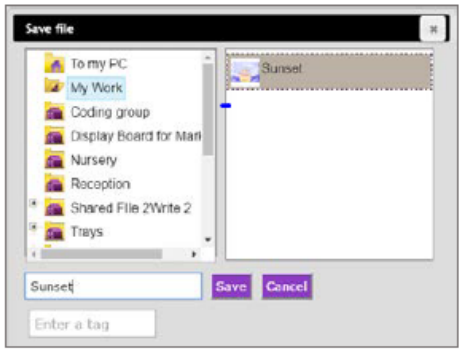

Topic: Multimedia | **Key Stage 1 Year 2** | **Unit 1.6 Animated Story Books, Spreadsheets (Purple Mash)**

What should I already know?

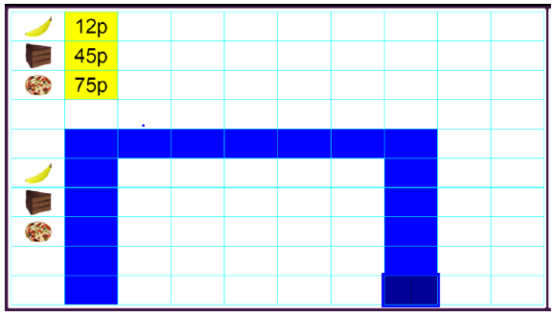

- I can use a range of drawing tools to create a picture on screen.
- I can add text to a page and change the colour, font and size of the text.
- I can save work and override files.
- I can open work that has been previously saved.
- I can copy, paste and print files.
- I can add sound, animations and my own voice to a picture.
- I can create music and add it to a page.

What I will know by the end of the unit

- Understand that digital content can be presented in many different ways.
- Collect, organise and present data and information in digital content.
- Add appropriate pictures and cliparts to a page.
- Use a keyboard to input data.
- Make presentations to explain and show work.
- Make improvements to work based on the feedback of others.

Vocabulary

Animation	Making a character or object move in a particular way on screen.
Audience	The people who will look at a file or piece of work.
File	A page, group of pages, image or video you would like to open and work on.
Font	The style of writing used within a file.
Open	A way of looking at a file we have previously worked on and saved.
Print	To keep a paper copy of your work.
Save	To keep a copy of your work within your work folder.
Text	A way of writing words, phrases or sentences on screen.
