Newport Infant School— Art

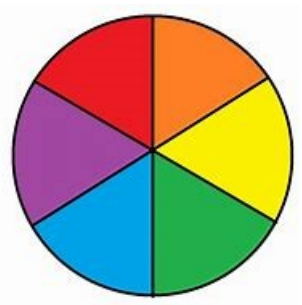

Topic: Famous Artists: Painting | **Key Stage 1 Year 2** | **Strand: Painting / Other Artists**

What should I already know?

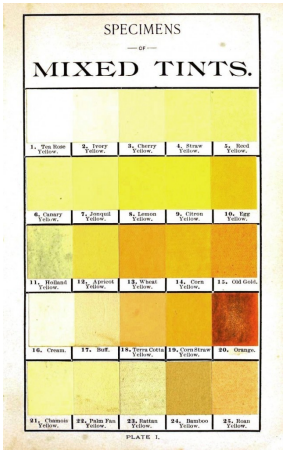

- There are different types of paint—mixed, water colour.
- How to mix tints of a colour by adding white.
- Names of some colours.

What I will know by the end of the unit

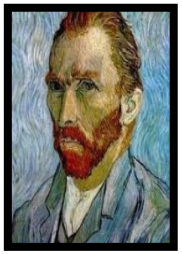

- Red, yellow and blue are primary colours.
- Two primary colours can be mixed to make a secondary colour.
- Orange, green and purple are secondary colours.
- The colour wheel shows primary and secondary colours in a specific order.
- I will create my own colour wheel, mixing the secondary colours.
- You can change the tint or tone of a colour by adding white or black.
- I will mix and name my own tints and tones using poster paints.
- Paint can be applied using different tools such as brushes, sponges, rollers and others.
- Paint can be applied using different techniques and using different strokes.
- Artists choose painting tools and techniques suitable for the work e.g. size of brush.
- Materials (sand, seeds) can be added to paint to change it's texture and feel.
- I will practice a using a range of painting tools and techniques, including colour mixing, before painting a final piece.
- I will control the marks I make while painting to create Van Gogh sunflowers and a Picasso portrait.

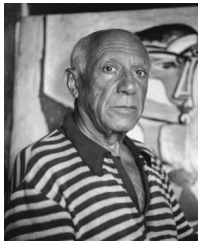

Colour Wheel

Vincent Van Gogh

Pablo Picasso

Vocabulary

applied	Put on to something
colour wheel	Colours arranged in a circle to show which primary colours are mixed together to make secondary colours
mixing	Put together and combine
paint	A coloured substance that can be spread across a surface and dries to leave a colour
primary colour	A set of basic colours that can be mixed together to make other colours (red, yellow, blue)
secondary colour	Colours made by mixing two primary colours together (orange, green, blue)
strokes	Marks made by moving a brush across a surface
surface	The top layer of something
tint	A shade or variety of a colour
tone	The quality of the colour: how light / dark / bright / dull it is
technique	A certain way of doing something or a skill

Key Skills

- Use painting to develop and share ideas
- Develop art techniques in using colour
- Make links to other artists about our own work.
