Newport Infant School— Art

Topic: Collage	Key Stage 1 Year	Strand: Collage

What should I already know?

- How to draw and make pictures using a range of materials
- How to cut and stick materials.

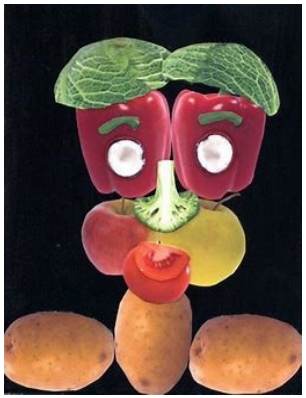

What I will know by the end of the unit

- Art can be made with lots of different materials and using different techniques
- Artists are people who create art.
- Collage is a technique where materials are stuck close to each other or overlapping to make a picture.
- You can use different materials to make a collage.
- I will think about the materials that I choose, starting to match it to colour of the picture.
- I will cut materials with scissors to make them the right shape or size for a space.
- I will arrange materials, generally by colour, within the lines of the picture.
- I will stick materials down carefully using glue.
- I will work as part of a team or by myself to create a collage: Rosie's Walk / Fruit Faces / Autumn Leaves / The 3 Little Pigs.
- I will talk about my final piece, saying what is good and what could be better.

Examples of collages

Some equipment and materials

Vocabulary

arrange	Put things in a neat order
art	A piece of creative work, usually something to look at.
artist	Person who creates art.
collage	A technique used when assembling different materials to create art.
cut	Use something sharp to share an object or material into smaller pieces
material	Something that things can be made from.
overlap	Cover the edge a little
stick	Join two materials together, usually by using glue
technique	The way in which a skill is carried out.

Key Skills

- Use materials creatively to produce art
- Develop art and design techniques: colour, shape, form
- Evaluate own creative work
