Newport Infant School— Art

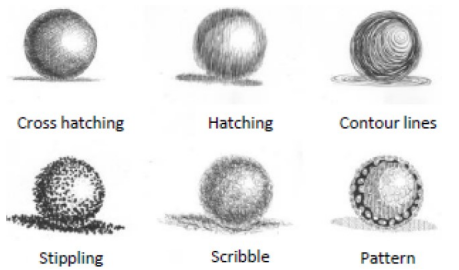

Topic: Drawing and Sketching	Key Stage 1 Year 2	Strand: Drawing

What should I already know?

- Drawing can be done with different things such as pencils, pens and crayons.
- I can draw things I can see and things from my imagination.
- I can add colour to a picture.

What I will know by the end of the unit

- Drawing is a form of 2D art.
- Lines can be made using different media.
- Media that can be used for drawing includes pencils, pencil crayons, wax crayons, pens (including felt tips) and oil pastels.
- Lines can be drawn of different sizes and thickness and can be light or dark.
- We can draw real life objects in front of us, from photographs or pictures from our imagination.
- There are different drawing techniques which can add shading and tone such as hatching, scribbling, stippling and blending.
- We can use media to add colour to our drawing.
- I will experiment with different drawing media and techniques.
- I will use my drawing skills and techniques to draw and create final pieces— harvest foods, Newport buildings, spring flowers, animals and animal patterns.
- Paul Cezanne is an artist who sketches and paints fruit and vegetables.

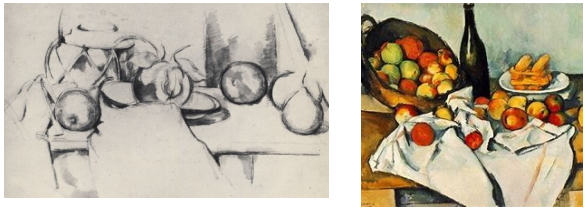

Tonal shade

Drawings of animal skin patterns with added colour

Artwork by Paul Cezanne

Vocabulary

blending	Gently mixing tones to create a gradual change or soften lines
drawing	A picture make with pencil, pen, crayon or pastel
hatching	Lots of parallel lines close together
line	A continuous mark made on a surface
media	Materials used to create the art
observation	What you see.
pattern	Repeated decorative design
scribbling	Lots of quick lines drawn without care
shading	When lines are drawn closely together to create a darker effect
stippling	Drawing lots of small dots close together
technique	A certain way of doing something or a skill
texture	How a surface looks or feels
tone	The quality of a colour: how light / dark it is

Key Skills

- Produce creative work
- Become proficient in drawing and art techniques.
- Use drawing to share ideas.
