Newport Infant School—History

Topic: Remembrance	Key Stage 1 Year 2	Strand: Significant historical people within our locality

What should I already know?

- Soldiers are people that fight for their country.
- Soldiers wear special uniforms to symbolise what they do.

What I will know by the end of the unit

- We can find out more information about the war by asking soldiers who served in it.
- A veteran is someone who has served for the Army in the past.
- Some of the other recent wars that soldiers have served in for their country are: WW2, Gulf War, Falklands War and IRA war.
- Some of the countries Britain have fought with are: Japan, Germany, Iraq and Northern Ireland
- Soldiers now have a choice to join the Army whereas in WWI they had to when they turned 18.
- Soldiers in WW2 and wars that followed did not live in trenches.
- Weapons and modes of transport for attack have changed since WWI.
- We use Remembrance to remember ALL the soldiers that died fighting to protect their country.

Mr Louis Hylton MBE

Veteran Army solider

Mr Peter Bunting

Veteran Photographer in the Royal Navy

WW2—Germany, Gulf War—Iraq, Falklands War—Argentina IRA War—Northern Island

Vocabulary

British Army	A group of British soldiers who protect the UK home and abroad.
Locality	A local area
Medal	An object that signifies an achievement.
Royal Air Force	A group of people belonging to UK's aerial warfare force who protect the UK from the sky.
Royal Navy	A group of people belonging to UK's naval warfare force who protect the UK from the sea.
Soldier	A person who serves in the army and fights for their country.
Uniform	The clothes that people wear to symbolise what they do.
Veteran	A military man who has served in the British Armed Forced in the past.
Weapon	A object used to defend someone or retaliate.

Key Skills

- Use language of chronology (before, after, the now) to order events.
- Talk about historical events beyond living memory.
- Ask and answer questions
- Identify similarities and differences between different ways of life (WWI and WW2)
