Newport Infant School—Computing

Topic: eSafety	Key Stage 1	Strand: eSafety

What should I already know?

- The internet can be used to find out new things.
- I can use the internet on a laptop, computer, tablet or phone.
- I tell a grownup what I want to use a digital device for and can tell them if something upsets me online.
- I can talk about why it is important to be kind and polite.

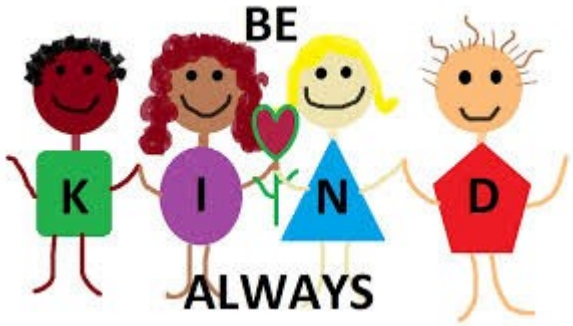

What I will know by the end of the unit

- I need a username and password to log in on a digital device and should always log out safely.
- Information online can be seen by others.
- When I use the internet I should keep my personal information and passwords private.
- My personal information is my name, age, address and school.
- I should always tell a grown up if I see something strange or worrying online.
- I can find websites for children.
- I should not use the internet or digital devices for long periods of time as it can affect my health and mood.
- I should be kind and polite online, just like in real life.
- People do not always tell the truth online.
