

You are going to continue writing your reports.

Ready Eddie knows it's important to KEEP ON GOING and DON'T GIVE UP.

Can you be a READY EDDIE today?

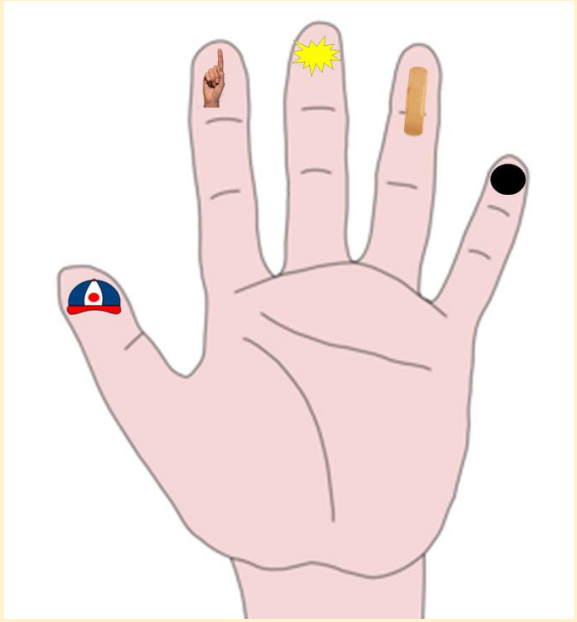

Thinking time...

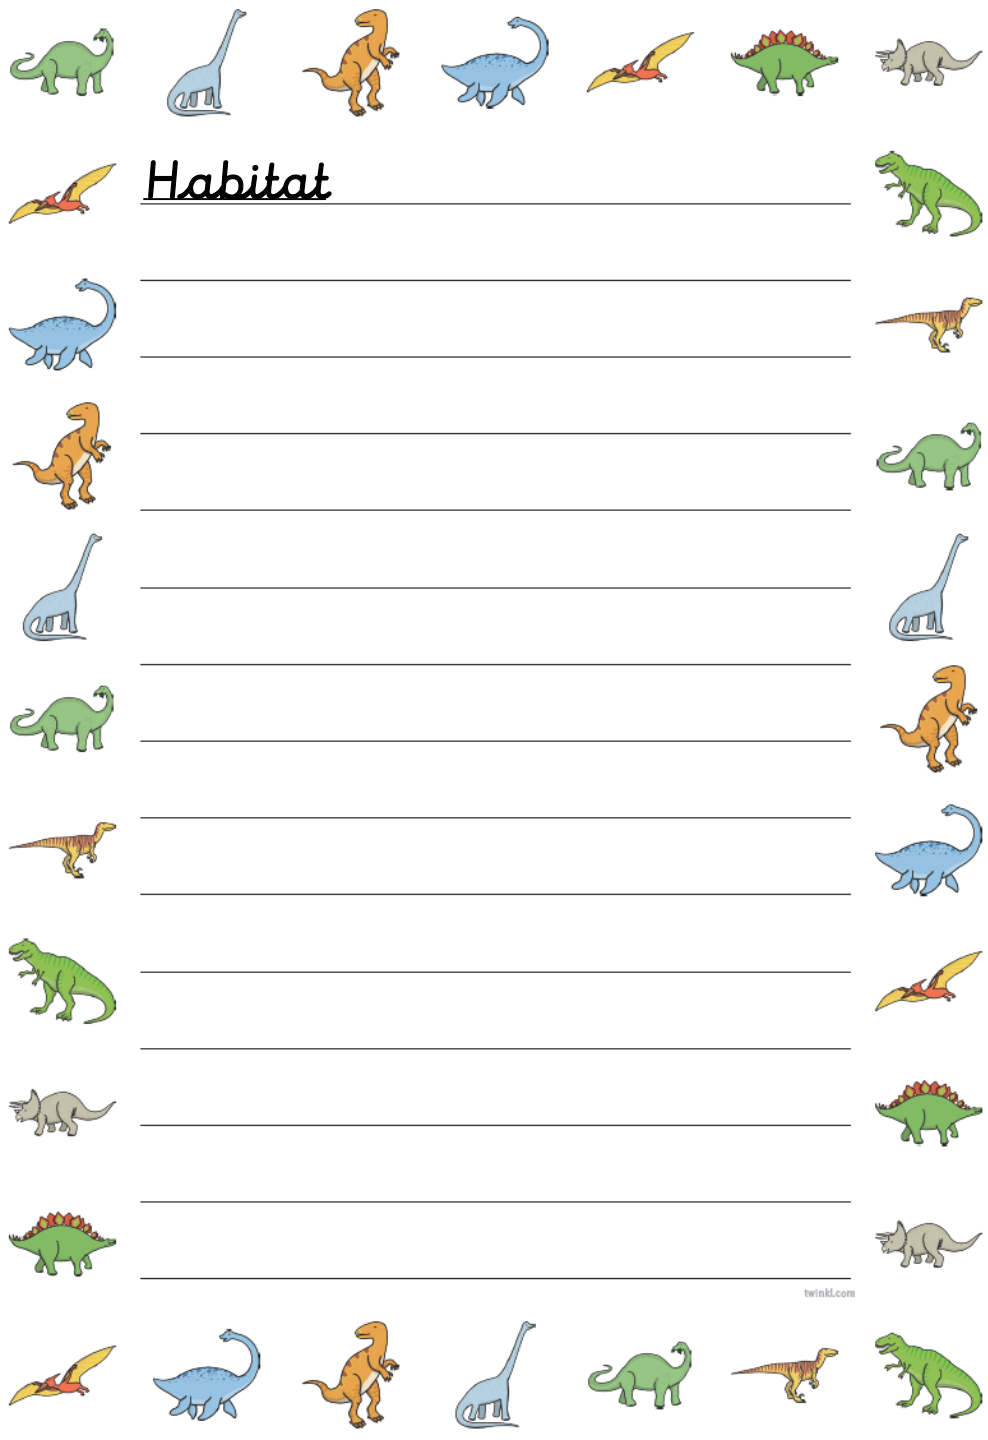

What have you done well so far?

What can you improve?

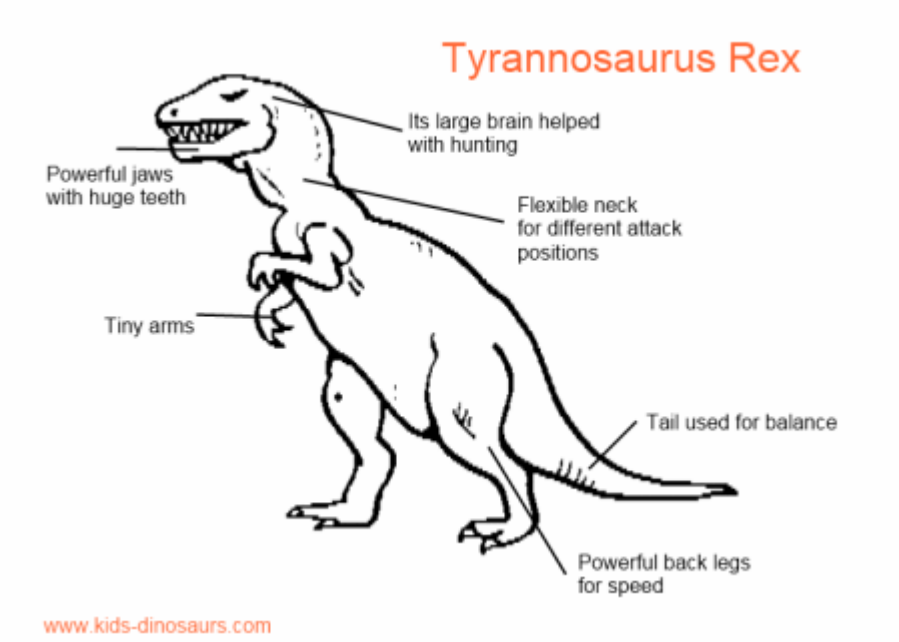

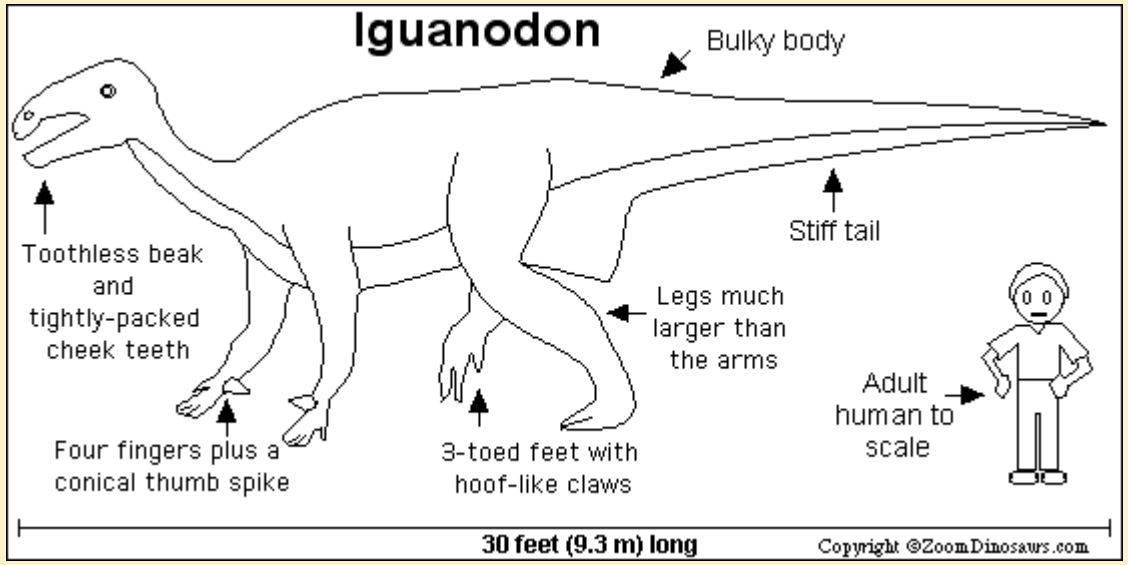

It's time to start your third subheading.

Look at your plan. Have you gathered enough information?

Finish your report with a diagram of your dinosaur.

Read your report and check it through!

Tomorrow you will share your dinosaur report with your friends on a Teams video call.
Look out for the link on Class Dojo.
