Would I trust this?

Cut out the statements and sort them into two categories (I would trust it/I wouldn't trust it)

The homework page on your school website.	A government website.
A well-known website your teacher uses (like BBC).	Your school website.
A website trying to sell something that looks too good to be true.	A supermarket website (like Asda or Waitrose).
Someone you know very well.	Someone you don't know but met online.
Someone who wants to chat online that is famous.	A pop-up telling you that you have won something.
A pop up box that asks you to save your work when you close the picture you have been working on.	An email that tells you to click a link to watch an episode of your favourite TV show.
An email that says you have won a competition even though you didn't enter one.	A photo attachment that your Mum, Dad or Grandparent has sent to you.
