Monday

Phonics

What does the word verb mean?

A Verb is an action word. Every sentence has to have a verb to make sense.

Last week we learned that we add the suffix -ed to write verbs in the past tense.

This week we are learning to write verbs in the present tense, they describe what is happening now.

We are sitting in a phonics lesson.
We are smiling because we like phonics.
We are feeling happy to be learning.

We add the suffix -ing to the verb, but like -ed, there are some rules!

Let's look at the rules:

One syllable word ending with a single consonant—double the final consonant

eg. Skip - Skipping.

One syllable word ending in two consonants, just add -ing.

Eg. Catch—catching

Word ends in e, drop the e and add ing.

Eg. Smile—smiling

Tuesday

Phonics

Recap suffix -ing verb endings

The different rules:

One syllable word ending with a single consonant—double the final consonant

eg. run - running

One syllable word ending in two consonants, just add -ing.

Eg. Yawn—yawning

Word ends in e, drop the e and add ing.

Eg. bake—baking

+ ing	Double consonant + ing	Drop e and + ing

In groups, you are going to read your words and sort them into the correct place on your chart.

+ ing	Double consonant + ing	Drop e and + ing

Wednesday

Phonics

Recap suffix -ing verb endings

The different rules:

One syllable word ending with a single consonant—double the final consonant

eg. hop - hopping

One syllable word ending in two consonants, just add -ing.

Eg. sleep—sleeping

Word ends in e, drop the e and add ing.

Eg. write —writing

Read a verb, work out which rule, write it on your chart in the correct place, with the suffix ing.

Drop 'e' then add suffix	Double the final consonant then add suffix	Just add suffix
	skipping
