Diving into Mastery – Deepest

Adult Guidance with Question Prompts

Children should know that there are seven days in a week and be able to sequence them. They should be able to use the vocabulary 'today', 'yesterday' and 'tomorrow' to say which day comes before and after a given day.

Which days of the week are the weekend?

What did she do at the weekend?

What did she do on Friday?

Which day is before Friday? What did Tess the T. rex do that day?

Which day is before Tuesday? What did she do on that day?

Which day is after Tuesday? What did she do on that day?

Which day is left? What did she do on that day?

Days of the Week

Tess the T. rex is trying to remember what she did last week. Draw a picture of what she did for each day in her diary using the clues.

"At the weekend, I rode my bike. On Friday, I had a bath because I had been swimming in the swamp the day before. I went bowling the day before Tuesday and played football the day after Tuesday. On the day between bowling and playing football, I baked a cake!"
