Let's have a read of the story that Boris Johnson has sent us!

He has told us how hard it has been and how important it is to believe in our own abilities, and look after ourselves and each other. He believes that this book would help us see how important we all are.

We are going to focus on the things that make us important.

What are our talents?

What kind of person are we?

We are going to think about the things that we are good at and the things that we are. Lets complete one of these!

My Name is...

Sophie

This is me:

friendly

happy

brave

funny

clever

Now let's look at other people!

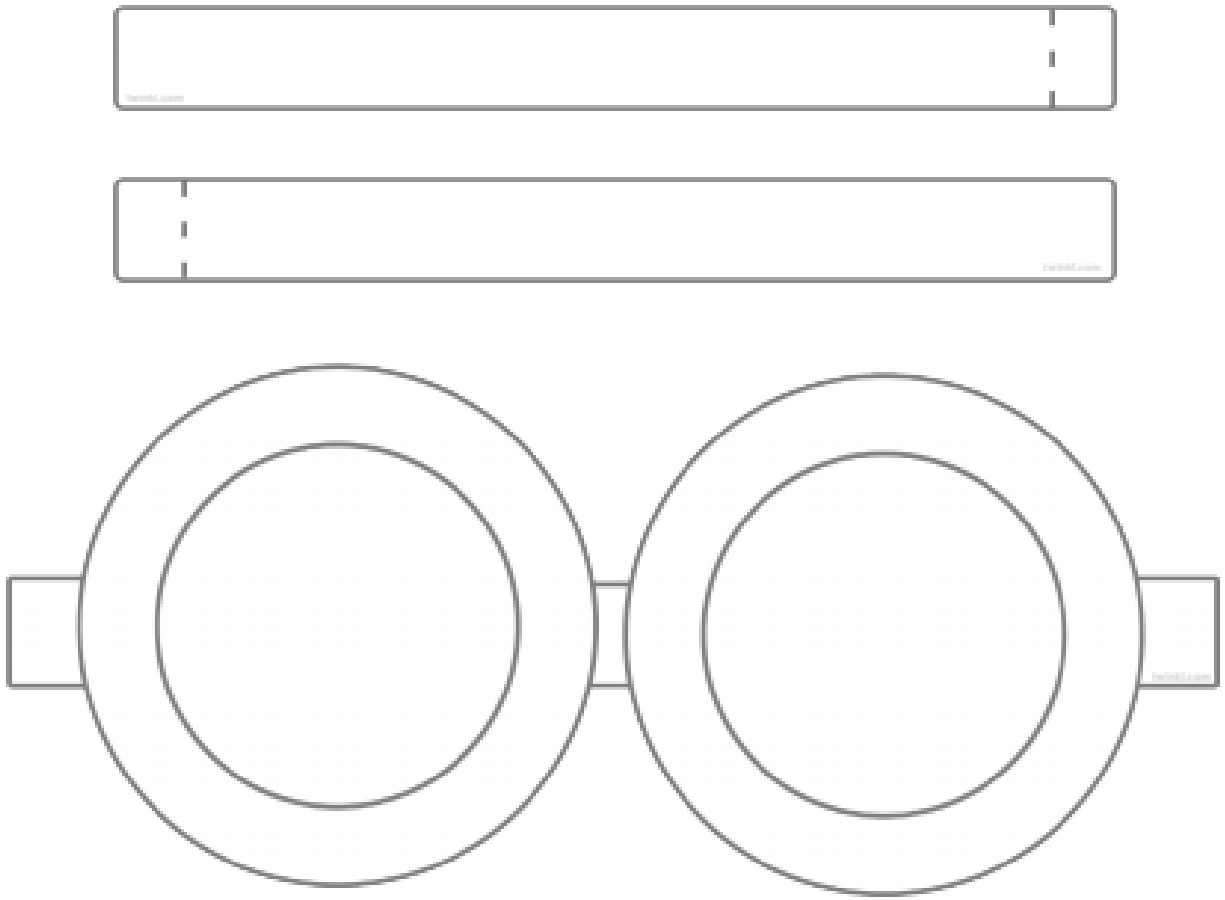

1. I would like you to fill in your name and draw a picture of yourself.

2. We will then go around the class to write down 1 word about someone.

Were going to design and create our own pair of glasses!

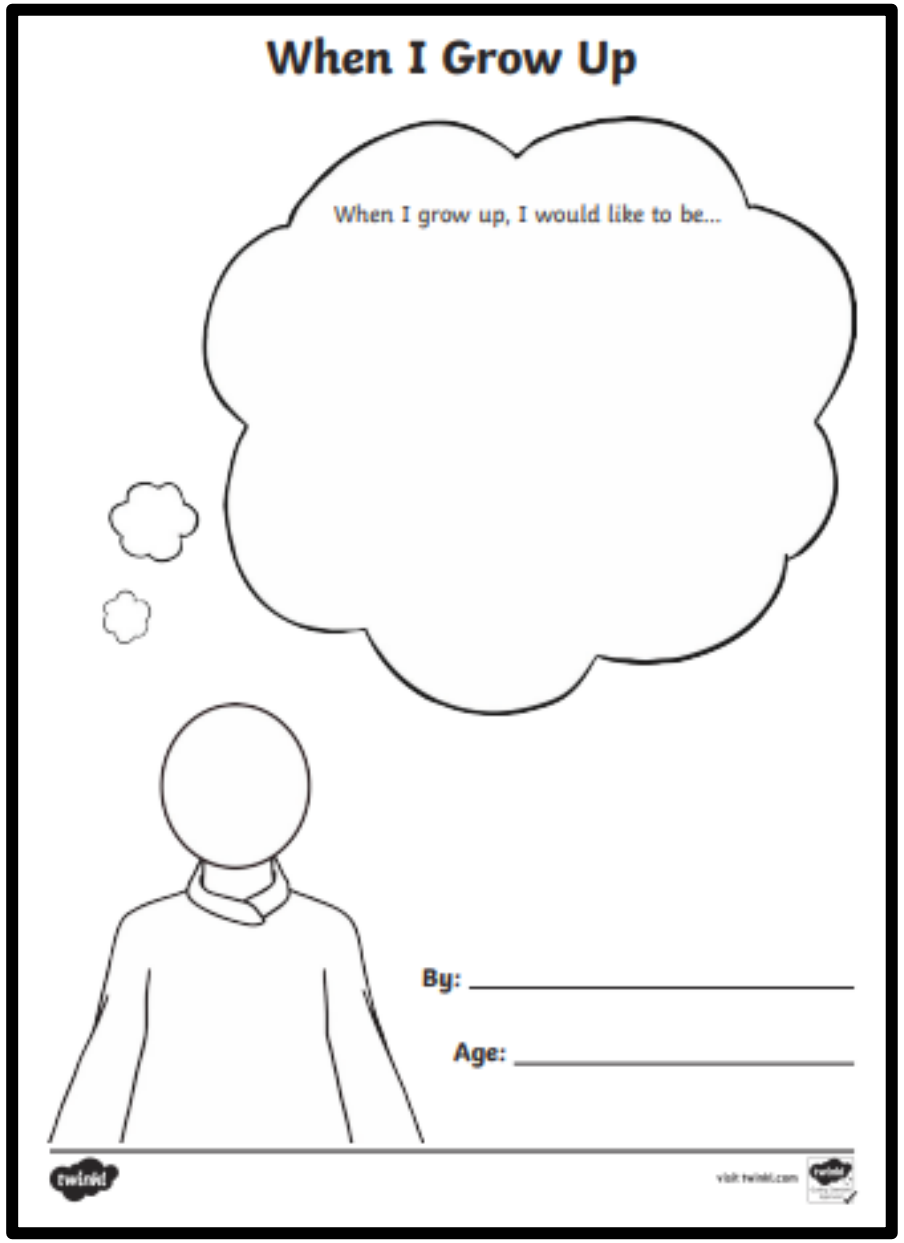

Glasses Template

Cut the two strips and fold along the dotted lines. Stick the folded ends to the tabs on the glasses

We are going to use our glasses to look into the future!
What would you like to be when you grow up?
What talents would you like to learn?
