What month comes after April?

What is the last month of the year?

How many months are there in a year?

What is the month between July and September?

Which are the winter months?

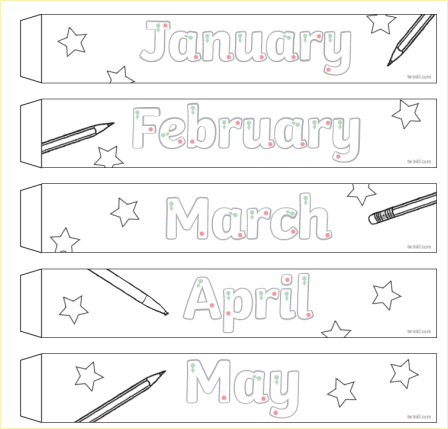

Your task:

* Complete the worksheet about the sequence of months

Extension:

* Take a month card. Trace over the months of the year with a felt tip pen. In your team, sequence the months in order to make your paperchain.

* Ask your teacher to take your photo with the paper chain.
