My favourite castle
Castle Reading Comprehension
If it gets tricky— keep on going?
Creating a glossary for the castle parts
What do you already know? Weave your web.
Ask questions
Congratulations!
You have completed your learning journey.
What have you learned?
What are your next steps?
Don't forget to choose what you use.
Labeling the parts of a castle
Using resources to research information about castles
Lock into your learning

Castles actually come in all shapes and sizes.

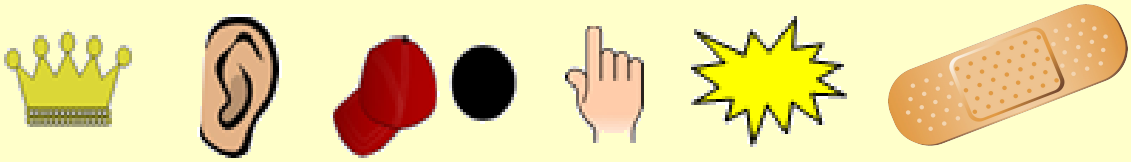

t-t-8112-castle-photo-powerpoint_ver_3.ppt

We are going to chose our favourite castle and describe it using...

This castle has got a large moat all around it. There is a strong, wooden bridge that leads to the portcullis. It has 4 towers and these have battlements on the top.

Any tickled pink?

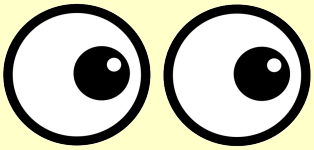

Now it's your turn...

- choose a castle
- write a description of you castle thinking about...

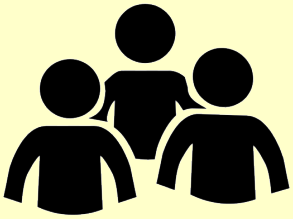

it's setting

it's appearance

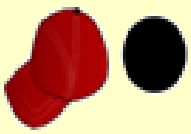

who might live there
