

Christmas Homework

They started school, it was all brand new,

new rules, new friends, new routines too.

Phonics, Maths, Writing and Reading,

lots of knowledge – their brains we've been feeding.

Hurray they've done it a term complete,

So now it's time they put up their feet.

We want you all to enjoy Christmas together,

play games, make memories - whatever the weather!

This time is so precious, we all know that's true,

and time together – these times are so few.

So our homework for the children over this holiday,

is to talk, laugh, sing, read, have fun and play

Record all your fun and good times you share,

so we can see too and show that we care.

Your support is fantastic we thank you a tonne,

Happy holidays, Happy New Year and Merry Christmas everyone

Newport Infant Reception Team
