Today let's practice some problems!

Is it addition or subtraction?

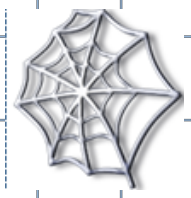

We are subtracting trickier number sentences that need us to exchange!

What do we know about subtraction?

Let's weave our web from earlier this week!
How could we solve this problem?

26 + 31 =

Let's try this using dienes!
Can you spot the problem?

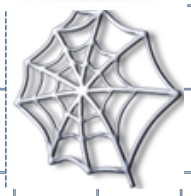

13 - 6 =

Let's weave our web!
What can we do to solve this problem?
How can we show this on our sticks and stones?

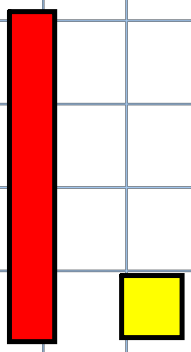

Have a go on your boards!

25 - 4 =

Have a go on your boards!

21 - 14 =

Let's practice exchanging when we subtract

Rules:

- Work with a partner.
- Roll the die and move number of places.
- Use dienes to solve the problem and write it on the box.
- If you partner agrees you get to stay.
- REMEMBER if you have less units you have to EXCHANGE!!
- Now it's your partners turn.
- Check their answer.
- Who will be the first to get to the finish?
