Today we are going to be researching all about the eye!

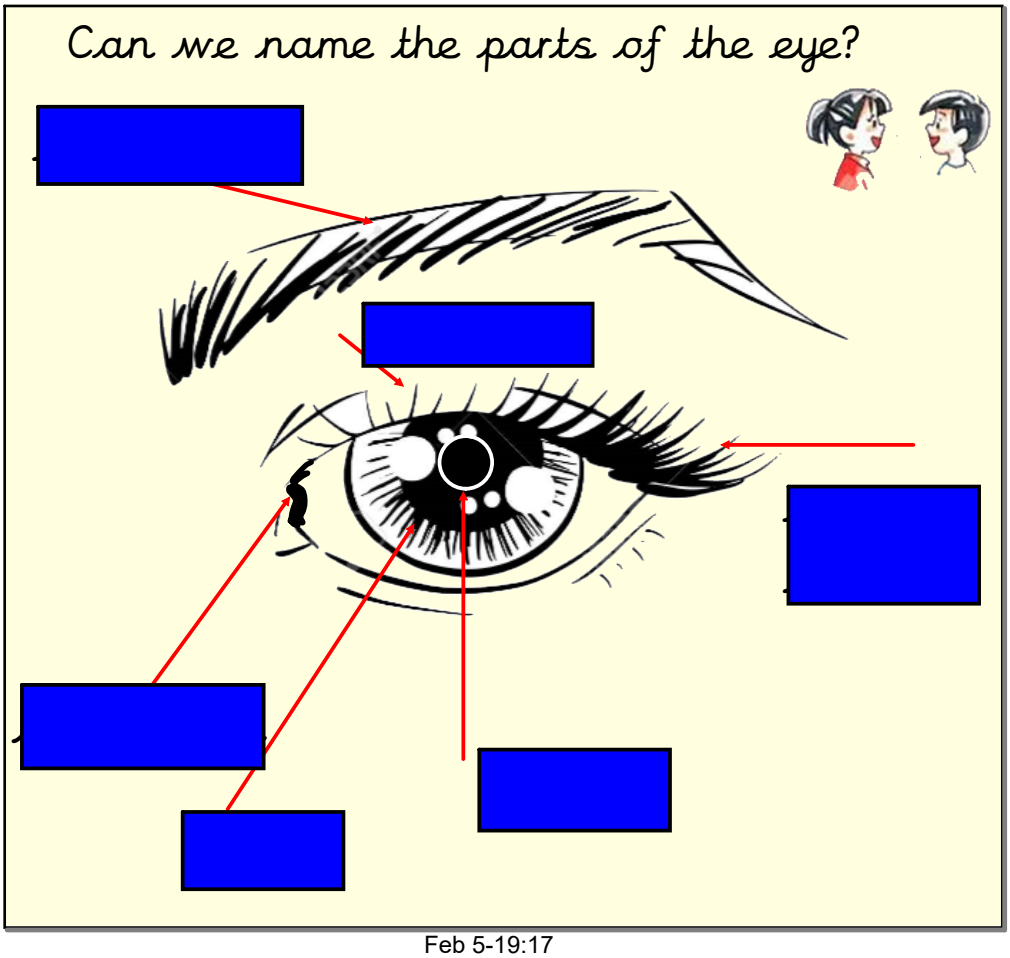

Feb 5-18:58

Why do you think we are finding out about eyes?

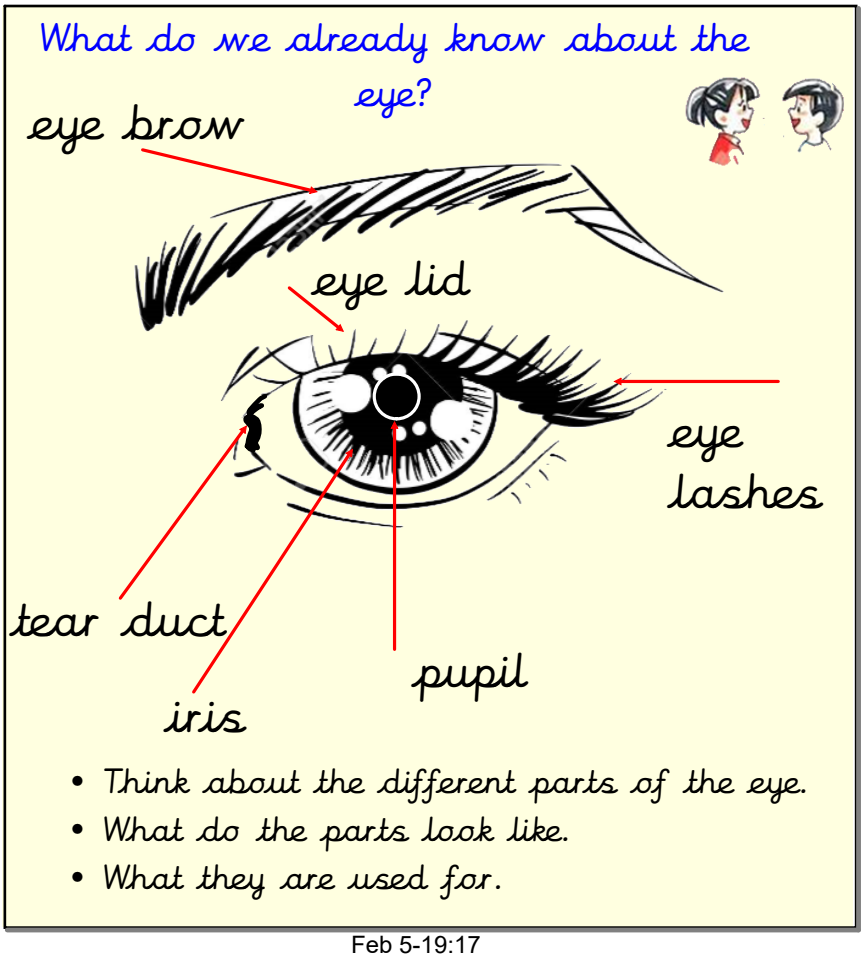

Feb 5-19:04

Feb 5-19:17

Feb 5-19:17

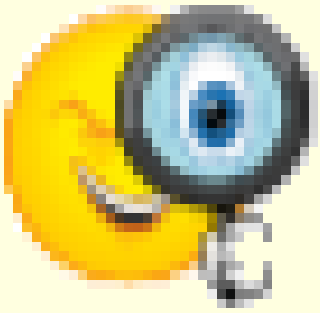

Now it's your turn

Research the different parts of the eye using the information sheets and books and share your ideas!

Record your facts on the large paper!

Don't forget to work as a team!

The Human Eye and Its Parts - Sight - Senses for Children - YouTube

Feb 5-20:15

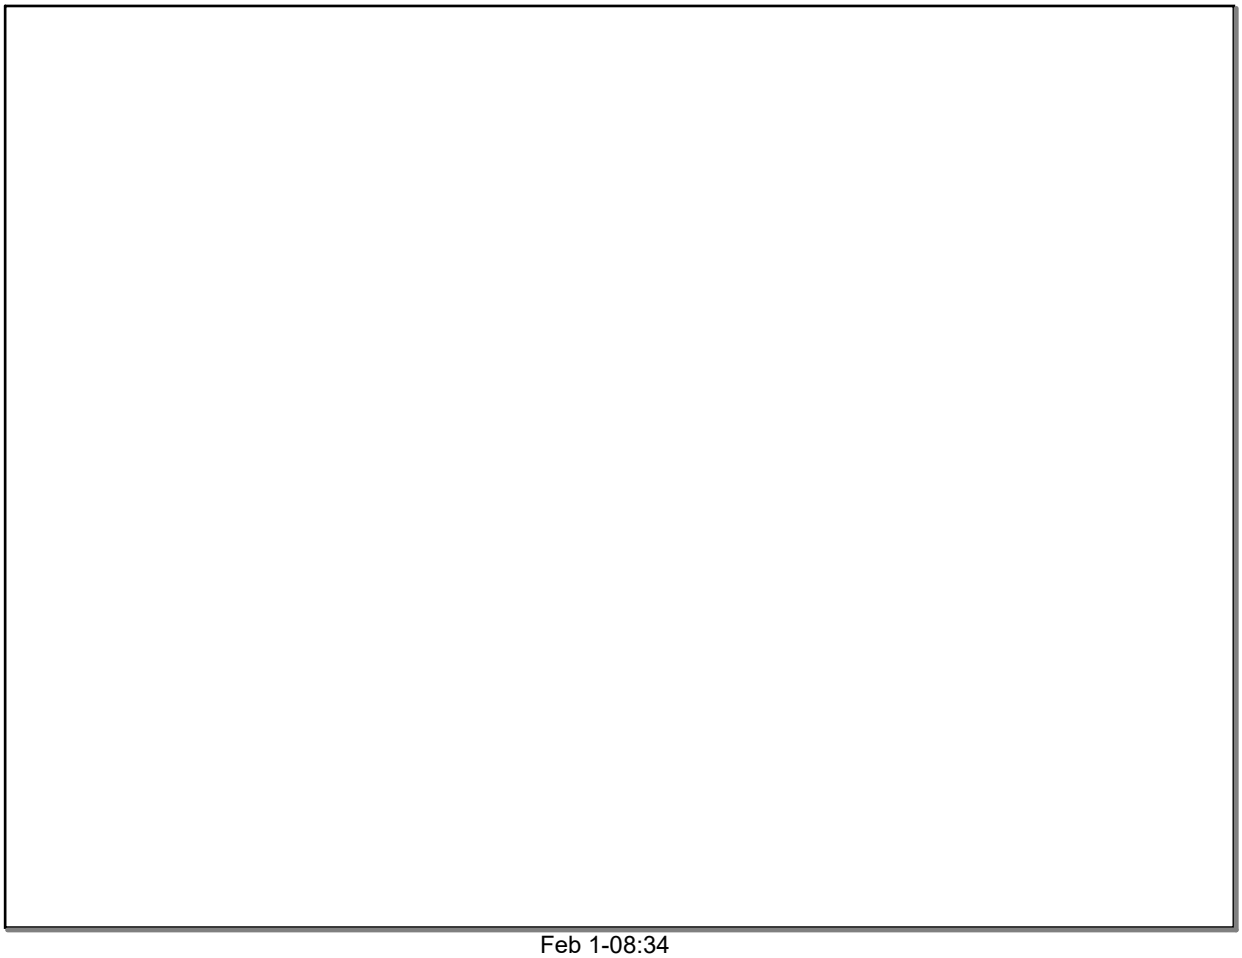

Plenary

What part of the eye is this?

- lets light into the eye
- shut out light so you can sleep
- coloured part that makes the pupil change size
- helps to stop dust and sweat from getting in the eye
