Number formation practice on whiteboards

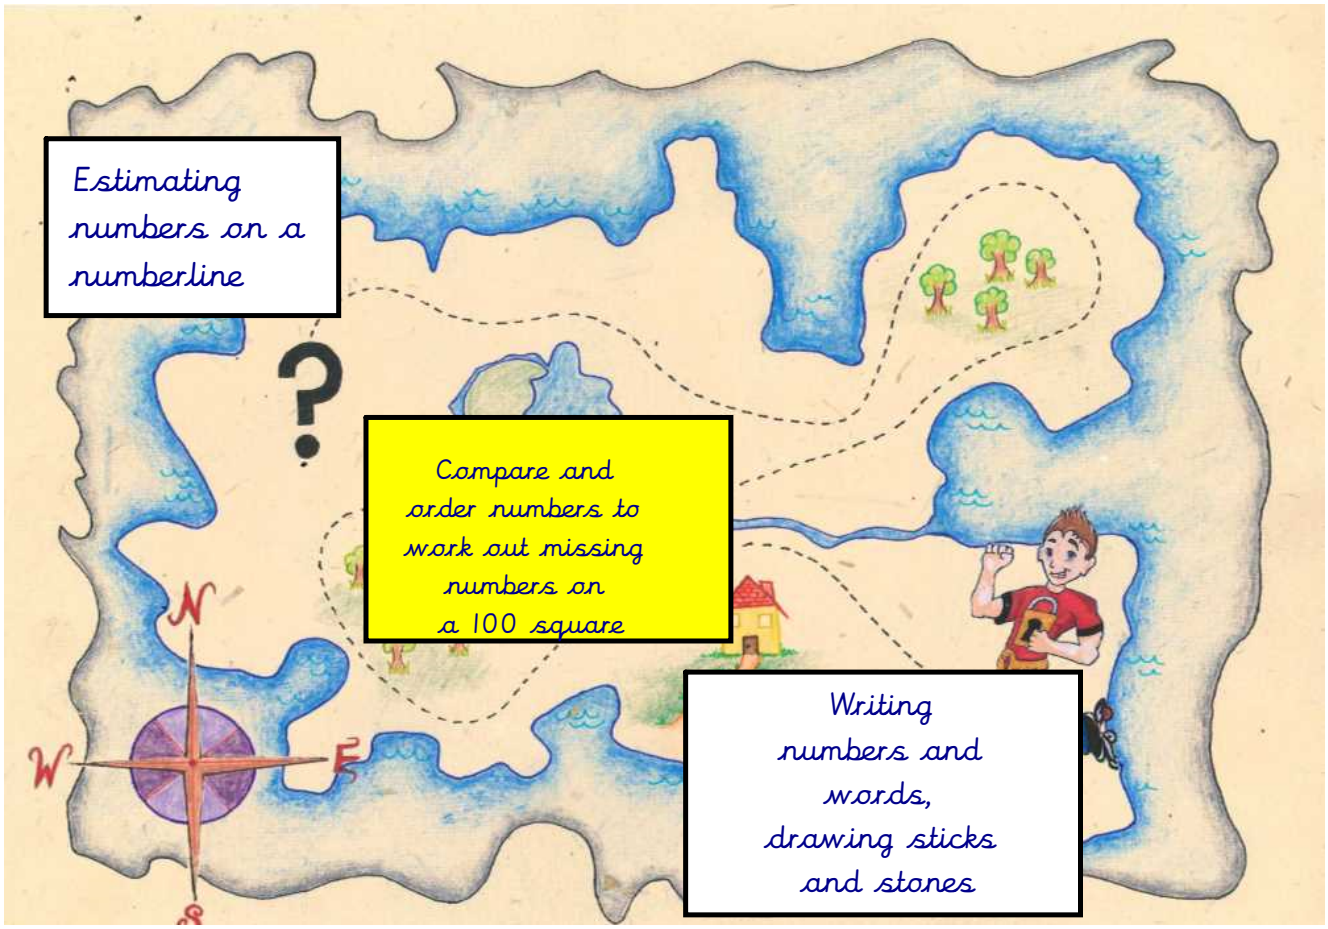

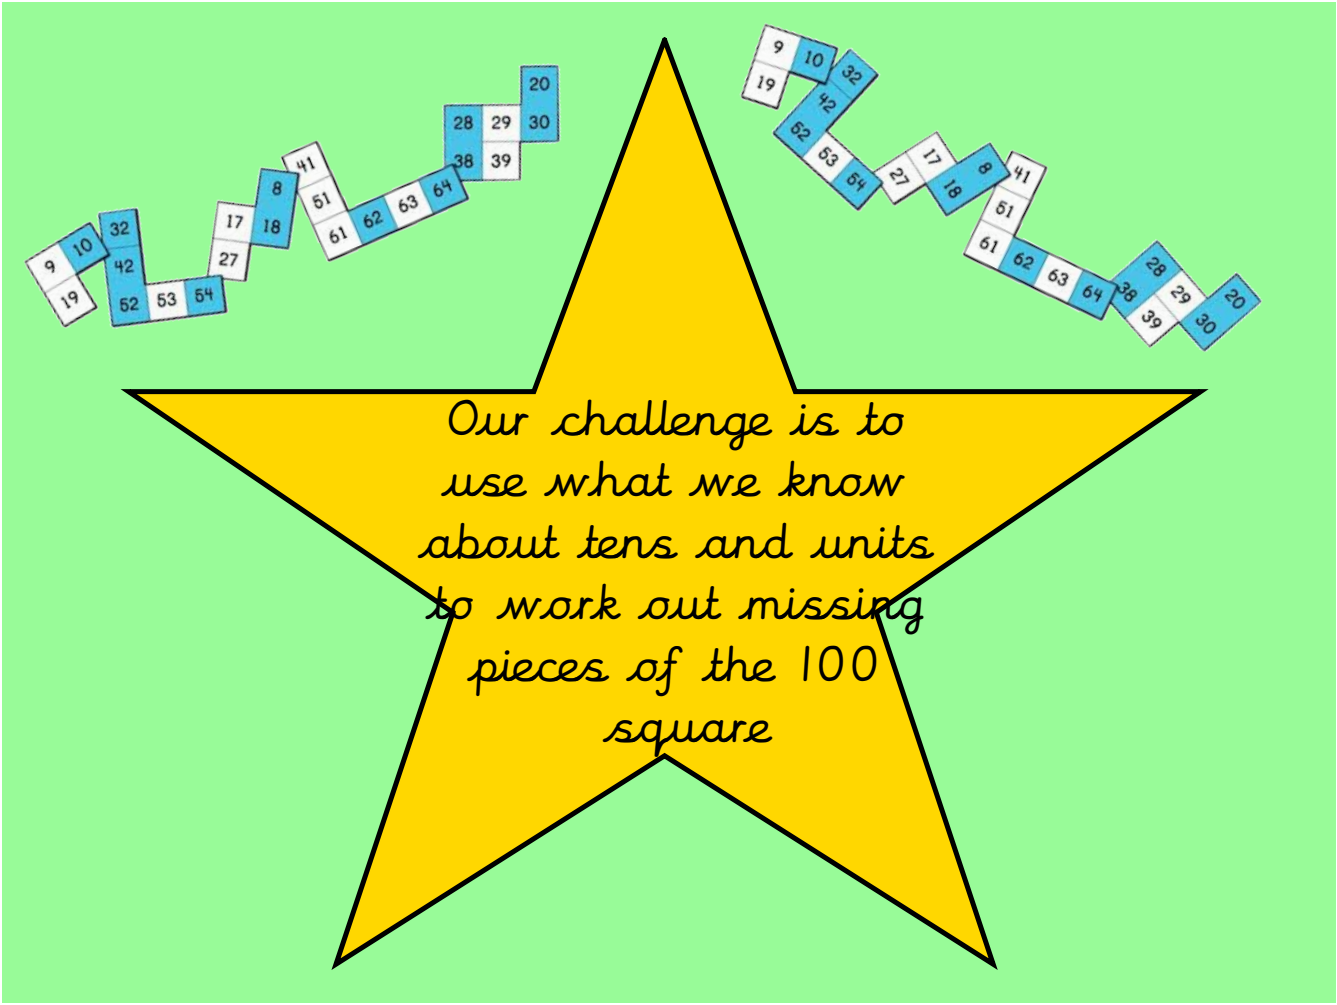

Let's practice our tens and units by playing Shark Numbers !!

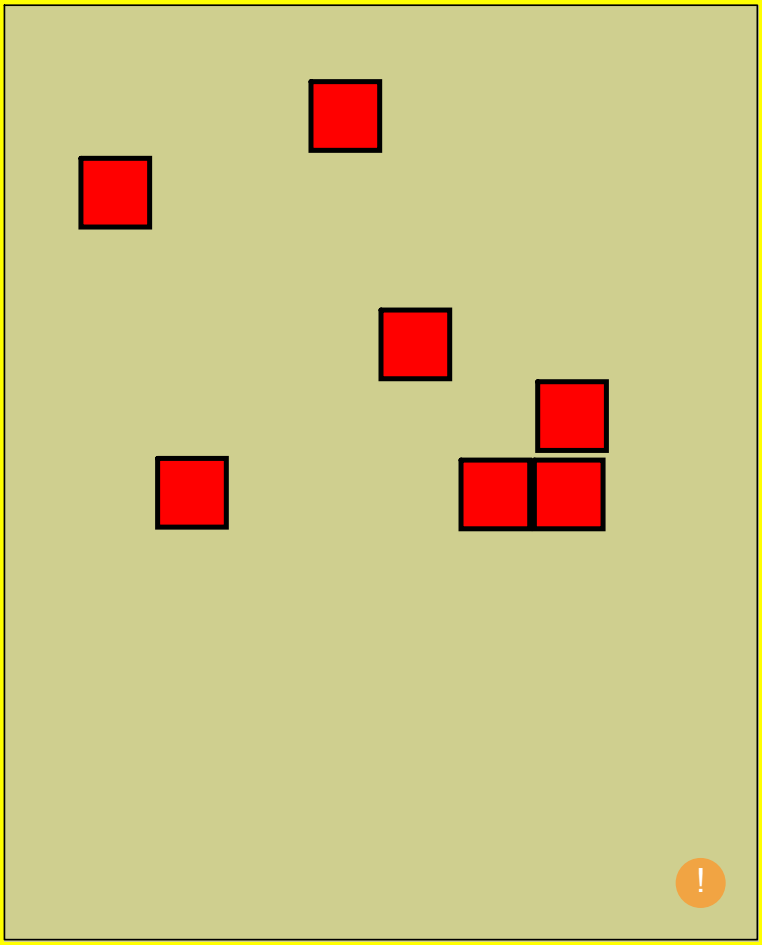

Estimating numbers on a numberline
?
Compare and order numbers to work out missing numbers on a 100 square
Writing numbers and words, drawing sticks and stones
N
W
E
S

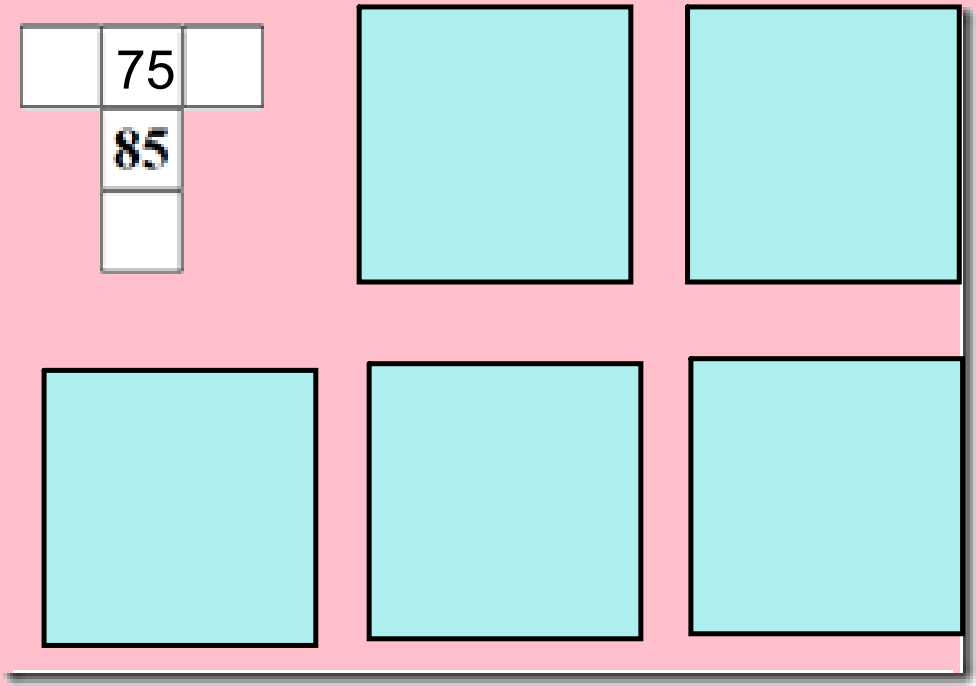

Our challenge is to use what we know about tens and units to work out missing pieces of the 100 square

What's missing? How do you know ?

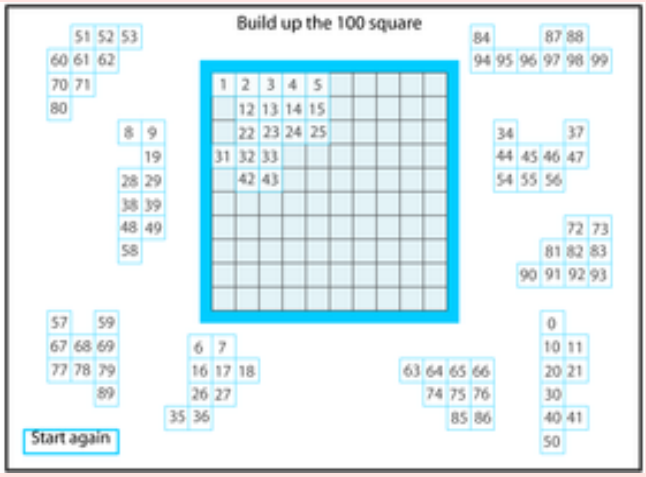

Can you fill in the missing numbers ? Use your 100 square to help you spot patterns and clues.

Now it's your turn...

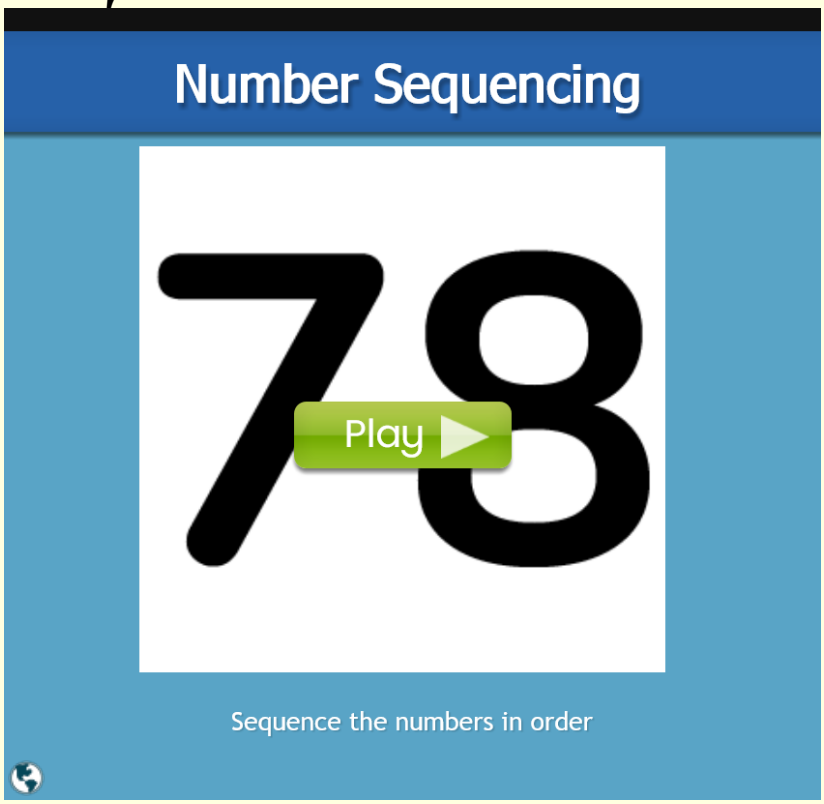

Fill in the missing numbers on the jigsaw pieces. Use your knowledge of the 100 square to help you.

Can you get onto a challenge question?

Plenary

Can we sequence the numbers?
