

Reception Home Learning 24.1.22

	Monday 24th January	Tuesday 25th January	Wednesday 26th January	Thursday 27th January	Friday 28th January
Maths Task	Number of the week – 7 Watch numberblocks number 7 BBC iPlayer - Numberblocks - Series 2: Seven What do you know about number 7?	Introduce 3D shapes. Song - 3D Shapes Song | Shapes for kids | The Singing Walrus - YouTube Talk about the fact that 3D shapes are solid shapes. They aren't flat. Go through name and properties for sphere, cylinder, cone, cuboid, cube. Hunt through your recycling – what 3D shapes can you find? Sort them and discuss the properties of each. Subitising - Subitize Up to 5 (soo-bi-tize) | Math Song For Kids | Jack Hartmann - YouTube	Go on a 2D and 3D shape hunt around your house and garden. Record what shapes you see and their properties. Can you find at least 1 of each of the following shapes: Square Rectangle Triangle Circle Sphere Cube Cuboid Cylinder	Number 7 activities: Roll 2 dice until you find 2 numbers that make 7 together. Find 7 objects in your room – what did you find? There are 7 colours in a rainbow (Red, orange, yellow, green, blue, indigo and violet). Can you draw a rainbow, including all 7 colours.	Focus on subitising Subitize Up To 5 (soo-bi-tize) | Math Song for Kids | Jack Hartmann - YouTube Use a dice to play a game. Each face of the dice helps you to practise subitising to know how many without having to count all of the spots!
Tricky words	Listen to the tricky words song: Tricky Words and Sight Words Song - YouTube And if you know all these try… Phase 3 Tricky Words Song Say Hello To - YouTube Practise spelling the tricky words from your tricky words sheet in your yellow reading record– (Let your child practice 5 words every day, once your child has secured a word, add a new one)	Use the handwriting sheet under this document on the school website to practise this week's letter. You don't need to print the sheet out, just makes sure you follow the guide and form the letters just like it shows!
