

Reception Home Learning 31.1.22

	Monday 31st January	Tuesday 1st February	Wednesday 2nd February	Thursday 3rd February	Friday 4th February
Maths Task	Number of the week – 8 Watch numberblocks number 8 BBC iPlayer - Numberblocks - Series 2: Eight What do you know about number 8?	Make a collection of small objects that are 3D shape e.g. small ball, glue stick, toy building brick, dice. Hide the objects in a bag and then put your hand in to choose one of the objects. Describe your shape and see if the other person can guess which 3D shape you have picked.	Use the online Power point to practise subitising. How-Many-Dots-Irregular-3-5.pptx (live.com)	Number 8 activities: Roll 2 dice until you find 2 numbers that make 8 together. Draw the dotty pattern. Find 8 objects in your room – what did you find?	Focus on subitising Subitize Up To 5 (soo-bi-tize) | Math Song for Kids | Jack Hartmann - YouTube Use a dice to play a game. Each face of the dice helps you to practise subitising to know how many without having to count all of the spots!
Tricky words	Listen to the tricky words song: Tricky Words and Sight Words Song - YouTube And if you know all these try… Phase 3 Tricky Words Song Say Hello To - YouTube Practise spelling the tricky words from your tricky words sheet in your yellow reading record– (Let your child practice 5 words every day, once your child has secured a word, add a new one)	Use the handwriting sheet under this document on the school website to practise this week's letter. You don't need to print the sheet out, just makes sure you follow the guide and form the letters just like it shows! Topic	This week is Chinese New Year. It is a celebration for Chinese people across the world and is celebrated with lots of different activities and traditions. Watch the CBeebies videos to find out some information about Chinese New Year and how it is celebrated. Chinese and Lunar New Year - CBeebies - BBC Use the internet, can you find out what year of the animal you were born in?	Story Time: "The Great Race: The Story of the Chinese Zodiac" by Dawn Casey - YouTube Use JIT5 Paint application to paint a picture of the animals that took part in the race. Click through the selections to choose animals that took part to put in your picture. Use the controls to adjust their sizes. JIT5 (j2e.com)	It's time to get moving! Join in with a cosmic yoga session: Cracker The Dragon Of Wonder | A Cosmic Kids Yoga Adventure! - YouTube	Google images of Chinese lanterns and have a go at making your own version at home. Good Luck! Don't forget to send us some photographs of your lanterns.	Watch the CBeebies video of learning how to do Chinese Lion Dancing. Chinese Lion Dance - CBeebies - BBC See if you can practise any of the moves!

Don't forget to read every day!
