This week we have been exploring the next artist in our topic.... Pablo Picasso...

Let's find out about Picasso!

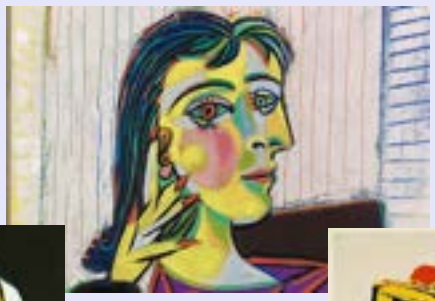

Picasso PPT Embedded.ppt

Over the years Picasso's style changed greatly. He found a love for creating artwork using shapes and bold colours...

What is your opinion of Picasso's art work?

Task 1:

Look at the pictures of famous artwork. Work with a partner to try to find some of Picasso's work!

How can you tell Picasso created the artwork? What are the clues?

Begin to cut those out ready for task 2!

We are also going to look at a female artist called

Alma Woodsey Thomas.

Let's have a look at some of her work!

Do you like her style of work?

What do you like/dislike?

Which other artists have we learned about so far in our topic?

Van Gogh

Degas

Let's weave our web!
Here are paintings of both Van Gogh and Edgar Degas.

What can you tell me about their style of work? How is it different?

What tells us these are Van Gogh paintings?

Van Gogh

Edgar Degas

- used different things to paint with like: ink, pencil, chalk, charcoal and pastel.
- Used brush strokes not dots and dashes.
- used light pastels to create mood
- He enjoyed painting ballerinas and race horses.
- later on in life he even used wax to make sculptures.

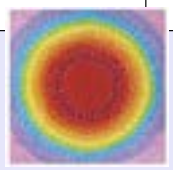

Can you help me sort the pictures?

Vincent Van Gough	Edgar Degas
Pablo Picasso	**Alma Woodsey Thomas**

Now it's your turn!

Can you sort the pictures under the correct Artist? Remember:

Pablo Picasso

- Used oil paint and sometimes sprinkled powdered pigment on his canvas.
- Used cubism to paint his pieces using various shapes, mainly cubes, to show different angles.

Bright bold colours were used to paint.

Painted many faces of people, showing both the side of their face and the front to express their emotions.

Van Gogh
