QUARTERLEY NEWS FOR PARENTS

EASTER TREATS FOR ALL KIDS!

From Christmas events we raised a brilliant £1062 - thank you for the support! This means at this yummy time of year - when the Easter Bunny pulls out all the stops to bring sweet treats for all chocolate lovers - the PTA can also spring into action and will donate a special Easter treat for all the children. On the last day of term each class will be invited to hunt for their Easter pressies. We hope this will bring lots of fun and laughter.

NEW MEMBERS

We're always on the look out for new members. The PTA runs because a little team of volunteers give a bit of time to make nice things happen.

We raise vital funds so the school can purchase resources that make your child's educational experience extra special. But we always need more hands on deck!

There is virtual PTA meeting once every term and when we run an event we usually need a few volunteers - that's it!

Coming soon is a fun in-person family event ... Groundforce Day!! Sign up NOW!!
