Play through the games that practice your alternative sounds!

[Phonics Play - Resources]

Over the half term you can use any of the games to help you!

Tricky Words

This week we have been learning the tricky words should, could and would

Practice writing them down, cover them over and write again from memory. Did you get them right? If not, that's okay! Use a green for growth pencil and fix them! You can then try again 😊

Literacy

This week we have come to the end of our learning with Jack and the Beanstalk! Using our story maps to help us write our story!

Challenge: Can you write the story down at home and show an adult? Use your hi-five punctuation to help you! Take your time over the week to build it up 😊

Numeracy

This week we have been learning all about measure! We have found out about length, capacity, and mass!

Click the link to find lots of different games that will explore and test out your new measuring skills!

16/02/2023 Week 7

Homework Year 1

Measuring Length

How long is a stick of spaghetti? Is it the same length after it has been cooked?

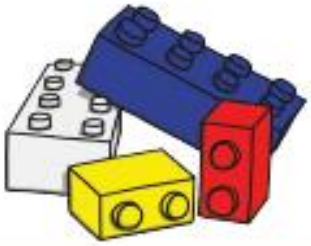

Measuring Length

Measure how tall you are and mark your height with masking tape on the floor. Place objects side by side next to your height. Can you find a combination of objects that measures the same length as your height?

Measuring Length

How many building bricks tall are you?

Measuring Length

Measure your height. Then, with someone's help, measure the distance from fingertip to fingertip when you stretch your arms wide. Compare the distances - do you notice anything?

Important Notices

We start back to school on the 27th of February! That week it will be **Squirrels** turn for Muddy Club!

The first week back will also be our whole school project where we will be focusing on books we love! 😊 **On Friday (3rd of March) we will all be dressing up as our favourite characters from our favourite books!**

Enjoy your half term, stay safe and recharge your batteries!

We look forward to seeing you soon!
