Newport Infant School—History

Topic: Kings and Queens | **Key Stage 1 Year 1** | **Strands: Significant Individuals—Monarchy and Settlement**

What should I already know?

- We live in Newport in England.
- We have a King.
- There were Kings and Queens in the past.
- Houses and buildings have changed over time
- There are buildings in the town that are used for different purposes.

What I will know by the end of the unit

Queen Victoria

- She was queen of England for a long time.
- She had lots of children and grandchildren
- During her reign railways and canals were invented

Kings and Queens

- Kings and queens lived in castles to protect them from invasion
- Kings and queens are called monarchs.

Settlement

- Newport has been a town for a long time
- There are important buildings in Newport such as the church, the Guildhall, the market hall and the Butter-cross. These are all old.
- Houses and buildings have changed over time and we can spot key features such as tall chimneys, small windows and black and white buildings

King Charles III and Queen Victoria
