02/03/2023 Week 8

Homework Year 1

Phonics

This week we have updated the children's Phonics Reading

The children will have their own targets and will have been recapping all their sounds so far to strengthen their learning!

Feel free to use the Phonics Play or the Forest Phonics games to help!

PhonicsPlay - Resources

Forest Phonics - mobile friendly (ictgames.com)

Tricky Words

This week we have been learning the tricky words love and above

Practice writing them down, cover them over and write again from memory. Did you get them right? If not, that's okay! Use a green for growth pencil and fix them! You can then try again 😊

Literacy

This week we have been focusing on our Whole School Project of the books we love! We retold, rewrote, made comic book strips, and wrote a book review!

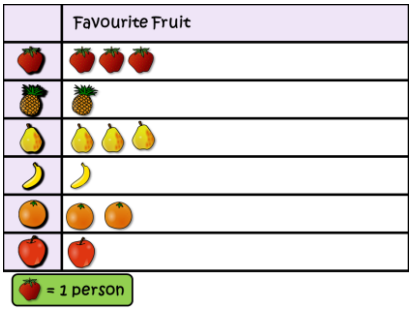

Challenge: What book at home could you write or say a review about?

Numeracy

This week we have been looking at pictograms and discovering how to read them! We used the books that we love!

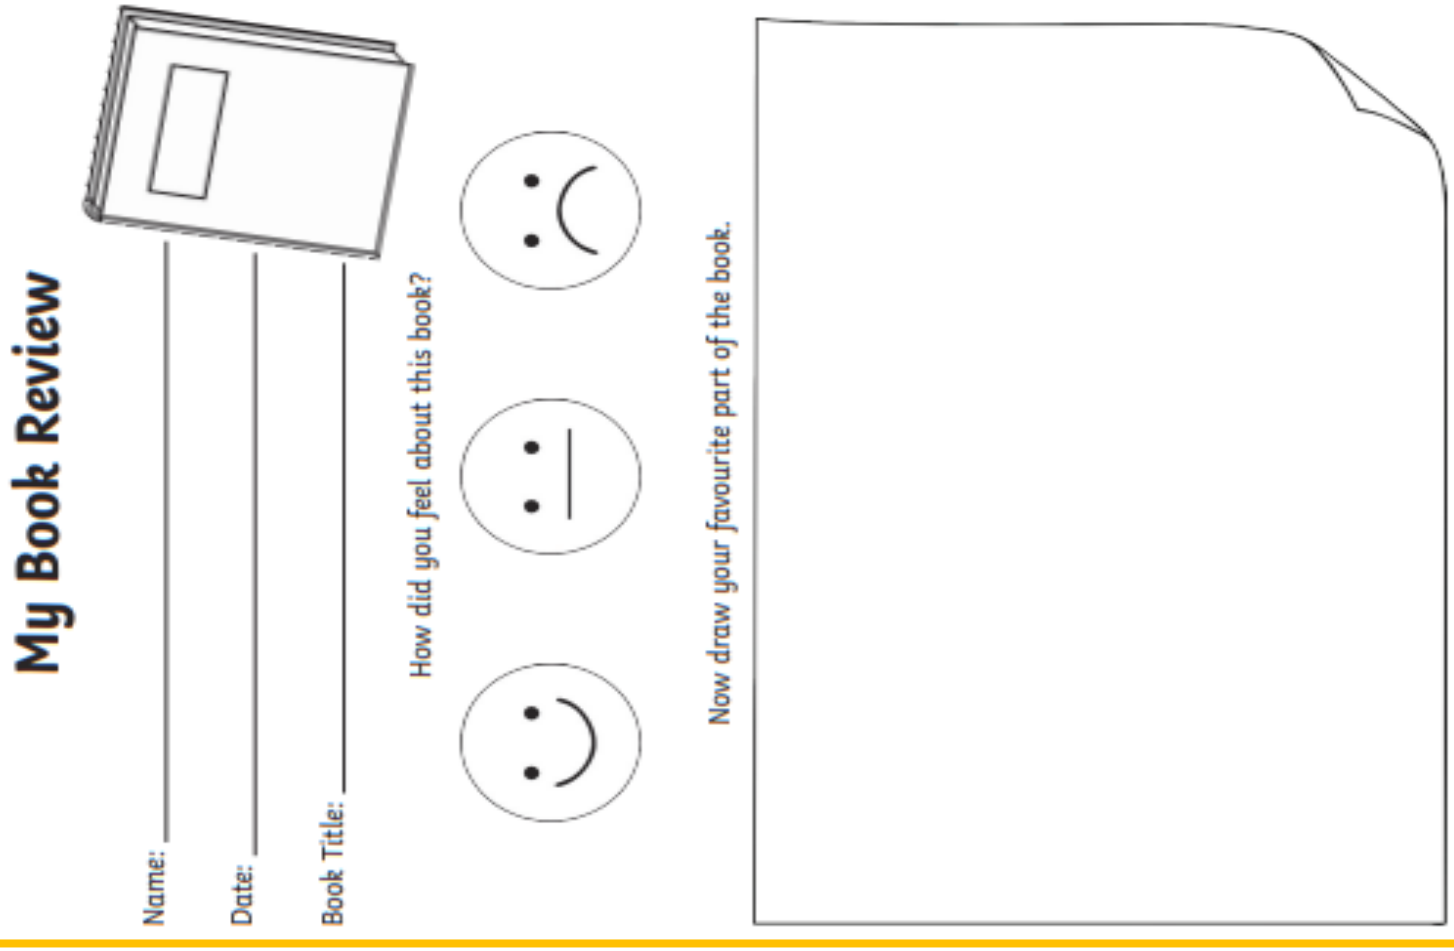

Challenge: Select a game from these games to play and practice your pictograms! pictogram - Topmarks Search

02/03/2023 Week 8

Homework Year 1

Important Notices

Next week we will be walking into Newport to the church to identify key buildings. Both classes will need some volunteers to help walk down with us and back (please😊)

Next week it will be **Hedgehogs** turn for Muddy Club!

Have a wonderful weekend! See you Monday!

Mrs B and Miss H
