09/03/2023 Week 9

Homework Year 1

Phonics

ie – tie au – astronaut

wh –when ph – photo

Feel free to use the Phonics Play or the Forest Phonics games to help!

PhonicsPlay - Resources

Forest Phonics - mobile friendly (ictgames.com)

Tricky Words

This week we have been learning the tricky words **school**, **where** and **here**

Practice writing them down, cover them over and write again from memory. Did you get them right? If not, that's okay! Use a green for growth pencil and fix them! You can then try again 😊

Literacy

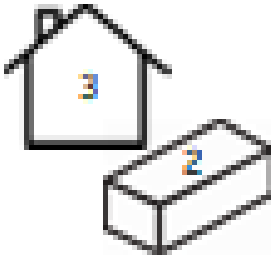

This week we have been looking at the buildings in Newport. Exploring the key buildings and creating a timeline from when they were made.

Challenge: What does your street look like? Could you draw it and identify key features?

Numeracy

This week we have been learning how to group. We used houses and bricks to help us and moved onto repeated addition.

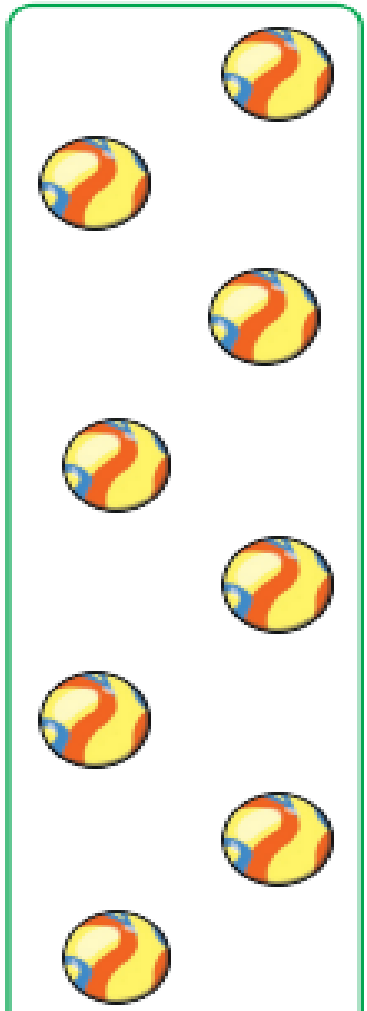

Challenge:
Follow the grouping questions on the other side or find objects around the house that you can put into groups. What would the number sentence look like?

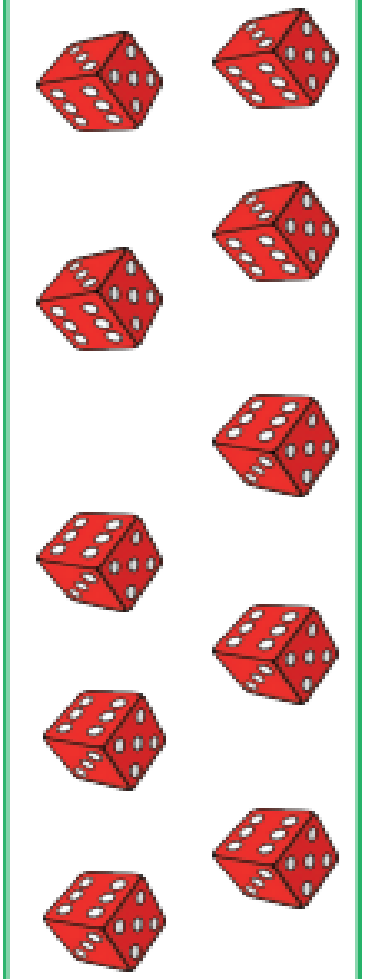

09/03/2023 Week 9

Homework Year 1

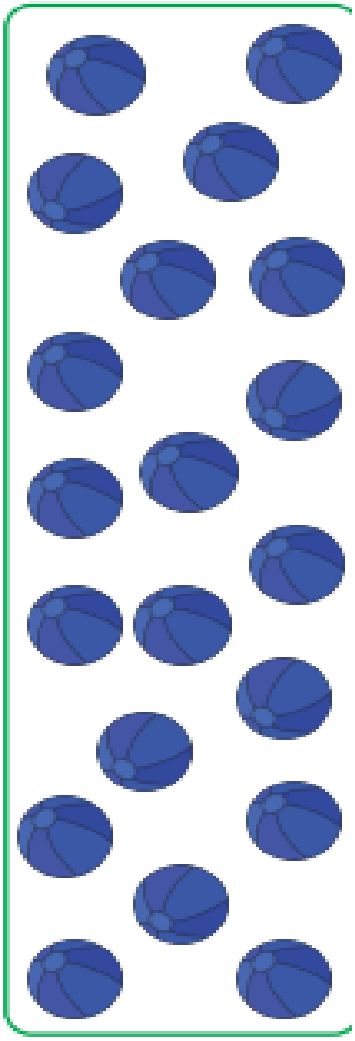

1) Group the marbles into groups of 2.

2) Group the dice into groups of 5.

3) Group the balls into groups of 10.

Important Notices

Next week there will be no Muddy Club, the children will be having a creative afternoon.

Have a wonderful weekend! See you Monday!

Mrs B and Miss H
