

# Homework Year 1

## Phonics

This week we have been recapping all our sounds.

To support the children with their upcoming Phonics Screening Test please play the trash and treasure, Dragons Den and Picnic on Pluto games on Phonics Play (free)

It is important the children understand how to decode and sound out words they do not know to help build strength in their reading

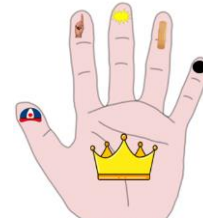

Phase 3 to 4 😊

## Tricky Words

This week we have been focusing on the tricky words we know so far and putting them into a sentence!

Practice writing them down, cover them over and write again from memory. Did you get them right? If not, that's okay! Use a green for growth pencil and fix them! You can then try again 😊

## Literacy

This week we have been looking at Summer Safety and using our describing WOW words to write interesting sentences about beach settings!

**Challenge:** What super interesting sentences could you write about a setting you can see? It could be your kitchen, your garden a family members garden!

## Numeracy

This week we have been learning all about money. Recognising the value of coins and notes, ordering from lowest to highest value and adding up coins to make different amounts!

**Challenge:** To help secure this new skill, play this game called pay for it - Choose paying, British flag and then start with level 1. Which level can you get up to?

# Homework Year 1

## Important Notices

Please do make sure the children are ready for school in the form of having their purple reading folders and their P.E kits in school \*every\* day.

Please note that that as the weather gets warmer, the children must have their water bottles with them with \*water\* in them. Juice and Squash are not part of our policy. Suncream can be applied before school. If they are bringing it in, it must be named and the children able to apply it to themselves. 😊

Have a wonderful weekend!

Mrs B and Miss H
