

Heeley's Highlights

Date 22 3 2024 **Issue No: 23**

I can't believe we have reached the end of another term already! We have had lots to celebrate this term and the children have embraced new learning opportunities with enthusiasm. The Science Week definitely was a big hit with the children and I know lots of you have been recycling as a result of this, or out litter picking to look after the environment. Hopefully, the impact of this learning will continue as the children get older and they will live to see the benefits of living in a more eco friendly world.

This week has been a busy final week with The Big Sing for Year 2. This event took place at Burton Borough School with other local schools and the children did us proud, singing so well! Thank you to the parents who allowed their children to take part in the show, we hope you enjoyed it too!

On Tuesday and Thursday we held our termly parent consultations. Again, thanks to the parents for coming and engaging in these important appointments which allow you to have a better understanding of your child's progress, attainment and learning powers.

Today the children have taken part in an Easter Treasure Hunt, and the Easter Bunny provided chocolate eggs for working out the clues! Many thanks to the PTA for helping source the eggs.

We break up today for two weeks holiday, returning on Monday 8th April. It is important to keep up with phonics and reading while the children are off school, so please log onto Oxford Owl and make use of the online books.

I would like to thank you for your continued support and wish you a lovely Easter break.

Mrs Heeley, Headteacher

Class Dojo

Just to remind you that the class dojo story is used to let you know about school events such as Muddy Club or a mufti day., and to share good news stories from the class. Individual messages should be about generic queries or questions. They should not be used to report pupil absence or for sharing your concerns or worries about an issue that needs to be addressed. This should be emailed directly to the school A2074@telford.gov.uk or the headteacher emma.heeley@taw.org.uk. This ensures your message gets seen in a timely manner and does not cause anxiety to staff out of school hours. Thank you for your cooperation on this.
