

Heeley's Highlights

Date 10 5 2024 Issue No: 28

It has been lovely to finally see some sunshine this week and especially for the Year 2 Residential. On Tuesday we took 52 Year 2 pupils on a one night residential to Laches Wood, over in Coven. We had a wonderful time and the children and staff really enjoyed the experience. The children got to try some new activities and challenge themselves. Many children showed real resilience during their activities and for many children, this was their first night away from home. Many thanks to all the staff who came to support this valuable experience. Mrs Heeley, Headteacher

Did you know that May is National Walking Month?

What a better way to celebrate and encourage active travel than by taking part in Walk to School week from 20th – 24th May This year's challenge is all about the magic of walking and is set to grab pupils imagination by meeting magical beings on each day of the challenge. (Just to note – park and stride, scooting, cycling and wheeling all count as well ?)

Day one – The Magic of Nature: is all about the magic of walking – children will learn about the importance of sustainability and the positive impact walking to school can have on the environment.

Day two – The Magic of Movement: teaches the children about the magical impact exercise can have on our health and bodies.

Day three – The Magic of Happiness: pupils learn how walking and wheeling is a great way to boost moral and arrive at school ready to learn and feeling happy.

Day four – The Magic of Friendship: providing an opportunity to spend time with family and friends, walking to school is also a great way to make new friends and have a chat along the way!

Day Five – The Magic of Community: walking or wheeling to school gives pupils a unique view into their community, the role they play in it and the opportunity to get to know their surroundings.
