

Heeley's Highlights

Date 19 7 2024 Issue No: 37

Dear Parent/Carers,

Well I can't quite believe I am already coming to the end of my first year as Headteacher! What a great year it has been and I feel very lucky to work with such amazing children, staff and parents.

We have had a lot to celebrate about our school over the year, starting with our 'Good' judgement at our Ofsted inspection. The staff have worked incredibly hard on our next steps so that we can make the learning experience even better for our wonderful pupils.

In the spring term, we had lots of visitors in to help us with our 'Wonderful World of Work' project and our whole school project on Recycling was a huge success, including an author visit which was of great inspiration for the children.

This term has been another busy one and it has been wonderful to watch all of the Tea With The Teachers performances earlier in the term. I think the highlight for me was seeing how much they had matured and grown in confidence from the Christmas performances.

The Year 2 Leavers' Concert has been wonderful and celebrated the children's learning journey that has taken place over the year. I am sure you would agree that they made us laugh and cry and royally entertained us over their two performances. We know that they are ready for their move to Key Stage 2 and we wish them lots of luck for September.

The Whole School Project this term followed the Olympics theme, and the children had a wonderful time learning about different countries represented in the games. We really enjoy our whole school projects because they bring the year groups together and help us all to work as a team.

Sports Days have taken place (finally for Reception!) and I was so proud of how all the children gave it their best and kept on going! True teamwork was shown. I can announce that the House Colour Champions were the Green team.

Yesterday we had a Fun Day in school. We enjoyed being active and supporting each other through a range of outdoor activities and enjoyed a picnic on the field. We had lots of fun too, especially on the bouncy castle!

It is now the end of another school year and we say goodbye to our Year 2 pupils. We wish them every success on their next journey and myself and all of team feel privileged to have been part of their educational journey. We sadly say goodbye to Mrs Heyes today too. She leaves us to join Wrekin View Primary on a part time teaching basis and we wish her the best of luck for the future.

This year we have set a Summer Challenge for each year group which hopefully the children have told you about! Each Sunday evening you will receive an email with the learning tasks for the week. They won't take too much time to complete but we feel are a good opportunity for pupils to keep their learning muscle active and retain all the information they have learnt over the year. We hope you will support your child to take part. They will need to return their completed 'Beach Ball' sheet and pack in September, and they will then be rewarded with a prize. It would be lovely to have everyone support this new initiative. I wish you all a very happy and fun packed summer holiday and I will look forward to seeing you all fresh and ready in September.

Finally, I would like to thank all of our families for their wonderful support for our school over the year and also to the PTA who have raised vital funds to enhance the learning experiences for all of the pupils at our school. In the current climate where school budgets are very tight, this is more important than ever! I would also like to thank the governors who play a valuable role in school improvement and strategic planning. They have been a great asset to me and the leadership team this year and I look forward to continuing this partnership next year.

All the best.

Emma Heeley
Headteacher

PARKING

It is not acceptable to be rude, swear and shout at our local residents.

We are sorry to have to report that local residents have complained about cars parking on the pavement and over driveways in Granville Close just opposite school, The roads around school are very busy and we want to ensure that pedestrians can come to and from school safely.

ALSO

Please could you refrain from parking on the zigzags outside school as this causes a hazard for pedestrians and other road users. It is also a tremendous safety hazard for our children! *Many thanks.*

Water Safety

Keeping safe around water is very important and Super Sue's Safety Crew led an assembly yesterday to teach the children all about the dangers, and what they can do to stay safe. The children watched the following short cartoon and it would be really useful if you watched it again as a family, so we all share the same messages.
