

Heeley's Highlights

Date 11 10 2024 Issue No: 6

Dear Parent/Carers,

It has been two weeks since we launched 'Numbots' maths games for the children to access at home. The buzz around school has been brilliant and the children really seem to be enjoying it. As with all online games, we want you to help your child to be safe so please take a few minutes this weekend to look on the website 'internet matters'. This has lots of advice for keeping children safe, including the practical elements of ensuring you know how to set up parental permissions and blocks etc. In an ever growing tech society, it can be difficult to keep up to date with the latest advice but this website is really good.

Internet safety advice and information | Internet Matters

If you are struggling for a device for your child to access Numbots, please let your class teacher know. We hope your child will be able to access the game 3-4 times a week for around 10 mins at a time. Certificates are given for the most improvement within each year group. Please do not allow your child to be on for longer than 10 mins each day.

Thank you for your support.

I hope you have a fabulous weekend.
