Heeley's Highlights

Date 13 12 2024 Issue No: 14

Dear Parent/Carers,

This week, our EYFS classes and The Den have all been to visit Tiny Town. They had a wonderful time exploring and dressing up, and of course the highlight was a visit to see Santa.

On Wednesday we were lucky to have Adams Grammar School come to school to perform their Christmas Concert. It was a wonderful opportunity for our children to see a range of musical instruments and see musicians, hear and join in with fabulous singing, and there was definitely a look of awe and wonder on our children's faces. A thoroughly enjoyable afternoon! Thank you to Adamas Grammer School.

Yesterday, we had Christmas lunch in school. A big thank you to Julie, Louise, Marie and Becky for all your hard work putting on a delicious Christmas dinner for the whole school.

Wishing you a lovely weekend,
Mrs Heeley

A Message from Mrs Heeley:
On the diary dates you will have seen that each year group offer a Christmas performance for you and your family to watch. We do not operate a ticket system for this however it is important you sign the register as you arrive, in case of emergency. Reception and Year One repeat the performance in a morning and afternoon. This is to ensure we can fit everyone in safely. Please ensure the same person does not attend twice. Please try to fill all the seats and don't leave gaps in the rows so we don't have people standing.
At the performances, there will be raffle tickets on sale for the chance to win some lovely Christmas hampers full of goodies for all the family. Tickets are £1.

Currently, we allow you to take photos of your child during the performance and short videos. However, these are for your personal use only and must not be shared with other people and must definitely not appear on social media. I know how special it is to capture a photo of your child in the play so please abide by my request otherwise we will have to stop photos being taken, as some other schools have done. Below gives some reasons why we ask you not to share……
Thanks for your cooperation. Mrs Heeley

Winter Water Safety

Water can freeze when the temperatures are really low. We might see this frozen water as ice, snow or frost.

Icicles form when dripping water freezes.

Frost and snow form when water vapour freezes.

We can have lots of fun with water in winter ...

... but we need to remember to stay safe.

Ice is very slippery. Be careful when walking outside when it is icy.

Stay away from the edge of water in case you slip and fall in. Keep dogs on leads.

Never walk on frozen lakes, ponds and rivers.

If someone is in the water and needs help, shout for help and call the emergency services.
