

Heeley's Highlights

Issue No: 34
Date: 13/06/2025

Dear parents/carers,
It has been a busy week in school with assessments taking place, including the Year 1 Phonics Screening Check. Well done to all the children for using their Ready Eddie skills and 'keeping on going', even when it got tough! We are very proud of you all.
Next week, don't forget we have PODS in to talk to any parents about school, your child does not have to have additional needs, any parent is welcome, and we hope lots of you will come. It is also Year 1 'Tea with the teacher' (Squirrel - Tues, Hedgehog - Wed. Please enter the hall from the back of school, we aim to start at 9.05 as soon as the register is done)
Tomorrow is carnival day! If you have signed up your child, you will have been emailed the information on where and when to meet and pick up. We have no additional spaces so please don't just turn up and hope we will let your child take part. We work to tight ratios for the safety of the children and so no late entries will be permitted and will be sent away. We hope to see lots of you in the crowd cheering us on. Thank you to the staff and children for all their work with the props. They look amazing, so fingers crossed for another win!
Have a wonderful weekend.

Protect, care and invest to create a better borough

Help us plan for your child's future by joining our Children with Disabilities Register

- The Children with Disabilities Register is a confidential list of names and basic information about children with disabilities, special or additional needs.
- The Children Act 1989 requires all local authorities to establish a register of children with a disability in their area. This will then be used for statistical information and to assist service planning to meet the needs of children with disabilities and their families, such as plans for accessible homes, SEND school places, inclusive community-based activities, and inclusive council services, to name but a few.
- The information held on the register is confidential and stored on our secure database. Statistical data may be shared with partners to inform local planning. No personal, identifiable data will be shared without consent.

Do all children with disabilities have to be included?

No, inclusion on the list is optional and the details can be added and removed at a parent or carer's request.

Will it affect a child's entitlement to support?

No, support is based on the needs identified as part of an assessment.

A child is eligible to join the Children with Disabilities register if they…

- Have a disability, as defined by the Equality Act as 'a physical or mental impairment that has a 'substantial' and 'long-term' negative effect on your ability to do normal daily activities.' This must be diagnosed by a medical professional.
- Live in Telford or are the responsibility of Telford & Wrekin Council
- Are under 18 years old

What are the benefits of joining the Children with Disabilities register?

The register helps Telford & Wrekin Council and partners understand more about the needs of children with disabilities across the borough. This helps services plan for the future and ensure residents needs are met.
