

Heeley's Highlights

Issue No: 37
Date: 4/7/2025

Dear parents/carers,

This week we launched our whole school project around 'Famous People who have shown COURAGE'. I shared this book about Captain Matthew Webb, who was a famous swimmer - the first to cross the English Channel, who was local to Telford and from Dawley. Each class were then given a famous person to find out about using a 'Little People, Big Dreams' book. The children have been really busy all week completing lots of different activities and research which they shared with us in assembly today.

Next week, displays of the work from this whole school project will be in the hall for parents to see on Open Evening on Wednesday (3.30-5.30). We do hope you will go and have a look.

On Monday your child will spend the day with their new teacher and classmates. We are sure they will have a fabulous day, but reassurance from you will be welcome, as a change in class can be a big deal to some children and parents being positive about change is known to help.

Have a great weekend.

Mrs Heeley, Headteacher

Sports Day 2025

What a fantastic time we had at sports day. We would like to thank you all for coming and sharing the day with us. The children showed great courage and determination. Well done to Green House, who win the Sports Day Trophy.
