

Heeley's Highlights

Issue No: 12
Date: 28/11/2025

Dear Parents,
As the weather has felt much colder this week, can I request that all children bring a warm coat and hat to school, which is clearly labelled. This is the time of year when we get lots of germs spreading easily so in school, we encourage good handwashing and use of sanitiser to try to kill the germs. If your child does have a cold/cough and you are unsure whether to send them, please check the NHS document : **https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/**
Generally, if it is a cough / cold the advice is to send, and only keep off school if they have a high temperature. However, we know things change throughout the day and if we feel your child becomes too ill to be here, we will always ring you to collect.
This week staff have received some training from the Occupational Therapy service around Sensory Processing. There is some very useful information and videos for parents on the website too, so please take a look if you think your child may have some difficulties.

I hope you have a lovely weekend and Christmas festivities start to take shape in your homes. I will see Song Squad on Sunday at St.Nick's church.

Best wishes
