

Heeley's Highlights

Issue No: 21
Date: 13/02/2026

Dear Parents and Carers,

This week it has been **'Wonderful World of Work Week'**, an event we have been doing for a number of years now. It supports our Personal, Social, Health and Citizenship curriculum, and gives children a basic knowledge of the world of work which they build on as they go to KS2 and beyond. Thank you to all our visitors, mostly our parents who did a marvellous job! It's not as easy as you think talking up to 180 faces and keeping them interested! The children have listened really carefully and found out why people enjoy their job, what skills and qualities are needed, what qualifications are needed and many have shown equipment that they use, or photos to help the children's understanding. Have a look at the display outside Fox Class when you come for the Parent Consultation evening.

It was also national **'Safer Internet day'** on Tuesday, and the children listened to Mrs Cross, our Computing Lead lead an assembly on the safe use of tablets, ipads and laptops. Please see page 12 for more information of how to ensure your child is safe online. Super Sue, our safety super hero teaches the online safety rules to the children and she wears her visor to remind the children not to share their identity or personal details online.

Today we break up for half term. I hope you have a lovely week with your children, and have fun together making some lovely memories! Don't forget to read lots and capture your child reading for the **'Get Caught Reading Challenge'.** Send your photo by Dojo please! Just one per child for the competition please.

I hope you have a great week.

Mrs Heeley,
Headteacher

Supervise Their Screen Time

- Keep devices in shared family areas.
- Stay nearby when they use tablets, phones or computers.

Use Safety Settings

- Turn on parental controls on devices, apps and Wi-Fi.

Check Who They're Talking To

- Young children should only communicate with people you know.
- Turn off chat features in games and apps where possible.

Set Simple, Clear Rules

- Agree on when and how long they can use devices.
- Regularly read our school rules to your child (found on the back of this page).
- Balance screen time with play, reading and outdoor fun.

Protect Personal Information

- Teach them not to share their name, school, address or photos.
- Be mindful when posting your child's photos online.
- Encourage them to talk to you if anyone asks for their personal information.

With half-term approaching you may be considering taking your child/children on a farm visit

All animals naturally carry a range of bugs, some of which can be transmitted to humans, where they can cause ill health. Some of these, such as E. coli O157 or Cryptosporidium (Crypto), have the potential to cause serious illness which may be particularly severe in young children We see many cases of Crypto each year in the Health Protection Hub, particularly among children, and it's a miserable experience for them and their parents.

Follow these practical steps to help keep your child safe and healthy:

- avoid touching faces or putting fingers in mouths while in farm environments
- don't kiss farm animals or allow children to put their faces close to animals
- wash hands thoroughly with soap and water after touching animals, fences or other surfaces in animal areas
- don't eat or drink while touching animals or walking round the farm and only eat and drink in picnic areas or cafes
- wash hands thoroughly with soap and water before eating or drinking
- remove and clean boots or shoes that might have become soiled and clean pushchair wheels, then wash hands thoroughly with soap and water
- don't use gels or wipes instead of washing hands with soap and water - gels and wipes don't remove E. coli O157 or Crypto
- supervise children closely to make sure they wash their hands thoroughly
- if someone in the family has diarrhoea or vomiting after visiting a farm or animal visitor attraction, wash all dirty clothes, bedding and towels in the washing machine on the hottest wash cycle possible. Encourage good hand hygiene after using the toilet, washing hands thoroughly with soap and running water. Clean toilet seats, toilet bowls, flush handles, taps, hand basins and any other areas that might have been soiled with detergent and hot water, rinsing with household disinfectant. Visit the doctor and explain that they have had recent contact with animals. Please also contact the attraction you visited and inform them of the illness

SENDIASS Survey

Telford & Wrekin Council are looking to re-tender the SEND IASS service where we will invite organisations to bid to deliver a new service from Thursday 1st October 2026 Feedback from this survey will help us better understand what is working well and what could be improved in the future to better meet people's needs.

This survey is for:

- Those living in the borough of Telford and Wrekin
- Parent carers whose children have or may have an additional needs or disability
- Children and young people aged up to 25 years who have or may have an additional needs or disability
- Practitioners that work with or on behalf of children and young people with special educational needs or disabilities (SEND) and their families
- For both users and non-users of the service.

What is SENDIASS?

The service offers information, advice and support on a wide range of services relating the education, health and social care for SEND children and young people up to the age of 25 who have, or may have, (SEND) and their parents. The service is free, impartial and confidential.

What is this survey about?

Telford and Wrekin Council want to hear from anyone that has had some experience of Telford and Wrekin SENDIASS. We want to understand what is working well and what could be improved in the future to better meet people's needs.

What else do you need to know?

Your answers will be confidential and anonymised and will not affect any entitlement to other services. The survey is voluntary and will take about 10 minutes to complete. **The deadline for responses will be Friday 6th of March.**
