

Heeley's Highlights

Issue No: 34
Date: 12/06/2026

Dear Parents/Carers,

It has been a busy week in school with assessments taking place, including the Year 1 Phonics Screening Check. Well done to all the children for using their Ready Eddie skills and 'keeping on going', even when it got tough! We are very proud of you all.

Next week, it is Year 1 'Tea with the teacher' (Squirrel - Mon, Hedgehog - Wed) Please enter the hall from the back of school, we aim to start at 9.05 as soon as the register is done. We also have the Residential Meeting for Y1 parents to attend on Tuesday afternoon.

Tomorrow is carnival day! If you have signed up your child, you will have been emailed the information on where and when to meet and pick up. We have no additional spaces so please don't just turn up and hope we will let your child take part. We work to tight ratios for the safety of the children and so no late entries will be permitted and will be sent away. We hope to see lots of you in the crowd cheering us on. Thank you to the staff and children for all their work with the props. They look amazing, so fingers crossed for a win this year! I believe it is public vote this year so look out for the QR codes and please do vote for us!

Have a wonderful weekend.

Mrs Heeley, Headteacher

Gold Star Awards

Oak Class

Maisie, for a super week at Nursery, it's lovely to see you growing in confidence week by week. Well done Maisie, we're all very proud of you!

Den Class

Archer, this week you have been using some new words in The Den and using your voice to show us the things you want and need. We are so proud of you Archie!!

Fox Class

Nellie, you have shared your science ideas about healthy and unhealthy food choices this week. We are very impressed with your independence for writing sentences to share your facts.
We are so proud of you!

Rabbit Class

Blake, your attitude to learning this week has blown me away. You have tried your best in everything you have done, making choices that keep you on task and ready to keep on going. You have shown me just how much you have remembered about healthy and unhealthy eating this week – amazing! Keep it up!

Hedgehog Class

Ilkay, for your super maths work this week. You have been so locked in and have been a whizz at measuring using a ruler. I was so impressed with how well you worked by yourself and your super explanations of how you knew the length of an object. Well done!

Squirrel Class

Jackson, for being a fantastic Scientist this week! You weaved your web to remember the parts of a plant and knew what a plant needed to help it to grow. Well done!

Badger Class

Nancy, for being an incredibly kind and caring friend, always looking out for others and making everyone feel safe and included in the classroom and on the playground like a superb playground pal! You also have worked hard weaving your web in your reading and maths quizzes this week! Keep being the best you can be and the amazing friend you are! I am so proud of you!

Deer Class

Olivia, for your fantastic attitude and super resilience this week, when completing your reading and maths quizzes! You locked into learning, weaved your web, kept on going and tried your hardest to be the best that you can be. You totally smashed them! I'm so proud of you.

Birthdays this week

Rory in Oak Class is now 4 Years Old

Radiyah in Squirrel Class is now 6 Years Old

Ethan in Badger Class is now 7 Years Old

Happy birthday from everyone in school!

Can you help at Sports Day?

The PTA are looking for helpers to run the refreshments stall.

They are also looking for raffle prizes and cake donations.

Please send any donations into school asap.

Many Thanks

Headteacher's Awards

Ilkay in Hedgehog Class for spotting all the special friends in his phonics check. Well done.

Jack in Squirrel Class for super sounding out in his phonics check. Well done.

Oscar in Hedgehog Class for his very clear instructions on how to plant a seed. Well done.

Spare Trousers and shorts

We are in desperate need for boys spare trousers and shorts. If your child has outgrown theirs, please can you pass them on to us. Thank you

A quick reminder about water bottles

Please remember that your child's water bottle should be filled with water and not juice.

Unless your child has a medical reason and it has been cleared by the Class teacher or the Headteacher.

Thank you.

Suncream

We hope that we will have lots of sunny days over the next few weeks. If the weather is hot, please apply sun cream to your child in the morning before they come to school. We are happy for you to send named sun cream into school with your child for them to apply themselves under supervision at lunchtime. It is recommended that the best protection sunscreens are the ones with a 4 star UVA rating or the letters 'UVA' inside a circle.

Thank you.

BIKES AND SCOOTERS

Sorry but another moaning post!!
Almost every week in the newsletter is about the dangers of bikes and scooters.
We ask time and time again for children to dismount at the bottom of the path leading to school and to park their bikes and scooters in the shed provided.
Just lately before school starts we have noticed children whizzing around and around the school playground and up and down the ramps very fast around other parents and children walking. This is very dangerous and could have tragic accidents!
If this isn't stopped we will have no other choice but to BAN bikes and scooters!
Thank you for your understanding.

Bad Language

We have had complaints from parents and staff waiting on the playground at the end of the school day of other parents using inappropriate language. Please be mindful that this is a school with a lot of very young children and no-one needs to hear bad language!

PARKING

Can we please appeal to all our parents to park considerately?

Please think about our neighbours and Do Not block driveways or park on bends or double yellow lines especially by the Nova car garage! There is a walkable car park at Shuker Field and also Saver's car park by the Junior School.

Parking is NOT allowed on the zig zag lines outside school, EVEN FOR DROPPING OFF! The times this needs to be adhered to are 8am–5pm, which is clearly labelled on the street sign. This is for our children's safety.

If you do park on the lines, you are breaking the law and could risk a fine.

HOW TO MEASURE YOUR CHILD

Measure the actual body measurements as this is far more accurate than measuring over clothes.

CHEST: Measure around the chest at the fullest part, placing tape close up under the arms.

COLLAR: Measure around the base of the neck where the collar sits, inserting two fingers between the neck and tape to allow growth.

WAIST: Measure around the natural waistline.

TROUSER LENGTH: Measure the inside leg from crotch to floor without shoes on.

HIPS: Measure around the hips, 20cm (8") below the natural waistline.

SKIRT LENGTH: Measure from the waist down to where you would want the hem.

DRESS & PINAFORE LENGTH: Measure from nape of neck to length required.

HOW TO USE THIS SERVICE
