

Heeley's Highlights

Issue No: 38
Date: 10/07/2026

Dear Parents/Carers,
Thanks to all our parents and families for attending Sports Day and our Family Picnic. What a great day we had! Please see page 2 for more information.

Transition Day on Tuesday went really well and we were delighted to see the children happy and engaged in their new classes. Last week you should of had your child's report. Don't forget to send your report slip back, we love to hear your comments.

The hot weather has continued this week. We have done everything possible to keep your child cool and comfortable, but we know it is difficult for them, and us! However, we have been told by the Local Authority and the DFE that we should not be closing early, which is why we haven't been able to offer an earlier collection this time. Next week continues to be hot and we will continue to monitor the temperatures in class and make necessary adjustments. Safety is of course our priority and we will keep you informed if anything changes. The menu next week has been changed, so the ovens do not have to be on so long. As you can imagine, it has been unbearable at times. Please see page 12 for changes.

Saturday is Newport Show and we have our usual stand in the Education Tent, if you are going, be sure to look us up.
Have a great weekend!
Mrs Heeley, Headteacher

Administering Medicines

The rules have changed around administering Antihistamines in schools, although as you can imagine we already have quite a few other medicines to give on a daily basis. A doctor has recommended Loratadine which is an over the counter medicine, which is non-drowsy and can be given just once a day, before or after school.

Suncream

We hope that we will have more sunny days next week. If the weather is hot, please apply sun cream to your child in the morning before they come to school. We are happy for you to send named sun cream into school with your child for them to apply themselves under supervision at lunchtime.

It is recommended that the best protection sunscreens are the ones with a 4 star UVA rating or the letters 'UVA' inside a circle.

Thank you.

BACK TO SCHOOL

If your child has asthma, remember to schedule their yearly review before school restarts.

Every September, we see a rise in asthma attacks. Asthma reviews can check lung health and support children to keep their asthma under control.

Get ahead of asthma - book a review with your GP practice.

NHS
Shropshire Community Health
NHS Trust

1

Make sure your child has an ASTHMA ACTION PLAN

Children with an asthma action plan are four times less likely to have to go to hospital for their asthma.

2

Make sure you know HOW TO USE AN INHALER

Getting the inhaler technique right with a spacer or facemask is one of the most important things you can do to help your child stay well.

3

ATTEND YOUR CHILD'S ASTHMA REVIEW

Scheduling an asthma review once a year *(and after every attack)* can help children and young children manage their symptoms.

4

CONSIDER AIR POLLUTION AND ITS IMPACT

Air pollution can trigger asthma, but knowing the triggers can help children and young people to manage their condition.
