

Heeley's Highlights

Issue No: 3
Date: 18/9/2026

Dear Parent/Carer

This week all the new Reception children have completed their peg dolls, and met with me to talk about what being in our circle of friends means and we placed their dolls on the circle. They have continued to settle really well and are now used to lots of our routines. They made a promise to follow our Golden Rules, and all know they have a place in our Cicrcle of Friends. Remember we have 3 simple Golden Rules to follow and it's good if you refer to these at home too.

Be Ready Be Safe Be Kind

Have a lovely weekend

Gold Star Awards

Oak Class

Wow **Arthur,** you have been a super role model for our new friends starting Oak Class. Thank you for being so kind and helpful, we're so proud of you!

Den Class

McKenna, for brilliant playtimes this week, making new friends across the school. We are so proud of you 😊

Fox Class

Harry, you shown fantastic skills in your phonics learning this week! We are so proud of your super sound blending skills to build words. What a wonderful start to Reception Harry!

Rabbit Class

Oscar, you've made such a great start in Reception, and we are so proud of you! You are such a great friend and love working like a 'team ant'.

Hedgehog Class

Zari'ann, for a super week in Hedgehog class! You've really locked into your learning and kept on going, just like Ready Eddie. You have shown a great attitude to learning! Keep up the great work!

Squirrel Class

Preston, for really locking into your learning in our Literacy lessons this week. You could retell the story of the Blue Balloon and wrote some super sentences using finger spaces and full stops. Well done Preston!

Badger Class

Margot, for settling into year 2 so beautifully and locking into your learning this week, showing such a positive attitude of keeping on going and not giving up, just like Ready Eddie! Well done Margot, I am very proud of you!

Deer Class

Holly, for a great Ready Eddie learner in Year 2! You always listen carefully, lock into learning and keep on going, just like Ready Eddie. What a great role model you are!

Birthdays this week

Eloise in Oak Class is now 4 Years Old
Charlie in Fox Class is now 5 Years Old
Parker, Millie and Eddie in Rabbit Class are now 5 Years Old

Is my child too ill for school?

UK Government NHS

Does your child have a high temperature (38°C or more)?

YES Keep them off school until it goes away.

NO Follow the guidance below.

Your child can usually go to school with a mild cough or cold if they are otherwise well. If you do keep your child at home, it's important to phone the school or nursery on the first day and give them the reason.

Should go in

A cough, cold or sore throat

Fine with slight cough or common cold symptoms, such as a runny nose, sore throat or headache, as long as they're otherwise well and do not have a high temperature.

Threadworms

Speak to your pharmacist, who can recommend a treatment.

Should go in (let the school know)

Cold sores

Encourage them not to touch the blister or kiss anyone while they have the cold sore, or to share things like cups and towels.

Conjunctivitis

Fine unless they are feeling very unwell. Seek advice from your pharmacist. Encourage your child not to rub their eyes and to wash their hands regularly.

Head lice & nits

You can treat head lice and nits without seeing a GP.

Hand, foot & mouth disease

If they seem well enough to go to school, there's no need to keep them off. Encourage your child to throw away any used tissues straight away and to wash their hands regularly.

Slapped cheek syndrome

Once the rash appears, they're no longer infectious. Let the school or teacher know if you think your child has slapped cheek syndrome.

Seek treatment before returning to school

Impetigo

They'll need treatment from a pharmacist or GP, often with antibiotics. Keep them off school until all the sores have crusted over and healed, or for 48 hours after they start antibiotic treatment. Encourage your child to wash their hands regularly and not to share things like towels and cups with other children at school.

Ringworm

See your pharmacist unless it's on their scalp, in which case you should see a GP. It's fine for your child to go to school once they have started treatment.

Scarlet fever

They'll need treatment with antibiotics from a GP. Otherwise they'll be infectious for 2 to 3 weeks. Your child can go back to school 24 hours after starting antibiotics.

Chickenpox

Keep them off school until all the spots have crusted over. This is usually about 5 days after the spots first appeared.

Keep them off (at first)

Ear infection

If your child has an ear infection and a high temperature or severe earache, keep them off school until they're feeling better or their high temperature goes away.

Measles

They'll need to see a GP. Call the GP surgery before you go in, as measles can spread to others easily. Keep your child off school for at least 4 days from when the rash first appears. They should also avoid close contact with babies and anyone who is pregnant or has a weakened immune system.

Vomiting & diarrhoea

Stay away from school until they have not been sick or had diarrhoea due to illness for at least 2 days (48 hours).

Feeling worried or anxious: It's normal for any of us to feel worried sometimes. We may get a tummy ache or headache, or have problems eating or sleeping. Avoiding school can sometimes make a child's worries about going to school worse. If your child is struggling, please speak to school as soon as possible to explore available help. If your child is still struggling and it's affecting their everyday life, you should contact GP or school nurse.

To find out more, search www.NHS.uk for the specific illness or infection, or 'Is my child too ill for school?'

P.E Kits

If you have any old P.E kits from last year that your child has outgrown please could we have them for spares in school. Thank you

Polite notice

Please try to remember to send your child to school with everything they need for the day. When items are brought in late it can take time to get them to class and the office cannot be unmanned.
Thank you.

Please Help

Please save and send in your used Pringles tubes. After Half term Year 2's will be making a winding mechanism toy in Design and Technology and they need as many as possible.
Many thanks.

Registration Documents

If your child is in Year 1 or 2 then they will have brought home details of their registration documents with them yesterday. Please check them and make any alterations and send them back ASAP.

Many thanks.

LILLESHALLSCARECROWFESTIVAL

We welcome any primary school aged child. However ,the children that attend are almost exclusively neurodiverse. Many of our volunteers have lived experience of parenting neurodiverse kids.

We are not at all experts , but we aim to be an inclusive, welcoming space, where children can learn life skills and have fun without judgement.

We also welcome parents / carers who can sit and chat with other parents who understand their child's challenges.

We return on Thursday 17 th September.
