PE FUNDING STATEMENT 25-26

What funding did we receive?

For the academic year we received £17,360.

Key spending:

- Get Set 4 PE Platform for staff to access lesson plans, training and resources
- CPD training for staff
- PE equipment and storage
- Active playtimes equipment and storage
- SEND Physical development
- Extra-Curricular Activities
- Sports competitons

Impact

- Pupil voice shows that children enjoy PE lessons in school
- All equipment has been used regularly in Primary PE lessons and has shown improved balance, coordination and motor skills.
- Physical activity embedded within SEND provision
- Delivery of high quality lessons by qualified staff and teaching assistants that cover a range of activities

Sustainability

Investment in the PE resources and approaches will continue to support future cohorts of pupils, ensuring high-quality physical development opportunities remain embedded across the school, including the specialist SEND Resource Provision. Improved staff knowledge, delivery and enhanced assessment systems further ensure that the impact of the funding extends beyond the current academic year.
