

Heeley's Highlights

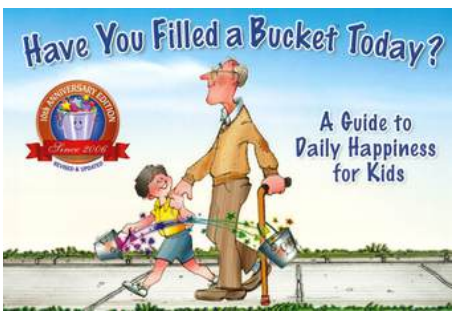

Issue No: 11
Date: 20/11/2026

Dear Parents/Carers,

This week in school it was 'It's Cool to be Kind' week. Nationally it is 'Anti-bullying Week' but we prefer to put a positive spin on this! We started the week reading 'Have you filled a bucket today?' and talked about being kind. Bucket filling is when you say or do kind things to fill someone's imaginary bucket. We had so many children being bucket fillers this week that our buckets were overflowing! On Wednesday, Super Sue's Safety Crew led an assembly about bullying. They acted out some short plays to inform the children what bullying is and that it doesn't happen once, but Several Times On Purpose (STOP). We talked about bullying being wrong and bucket dipping, and what to do if you think this ever happens to you.

Have a great weekend.
Emma Heeley, Headteacher

I think the greatest thing you can send your child off to school with this week is... kindness in their heart for themselves and for others Tell them to look out for people, to care for them To give people time and space to be who they are and allow them to go at their own pace And to allow themselves that same kindness that they give to everyone else And to send them off with the knowledge and the acceptance that people are all different And they all deserve kindness They look different, act different, think different They move in different ways, learn in different ways They have different cultures, their families are different And all of that is okay, more than okay Its wonderful Teach them not to shy away from those differences but to learn about them, embrace them and celebrate them

Gold Star Awards

Oak Class

Pragavan, Well done for a super week at Nursery! You have been great at joining in with all of the activities and we are so happy to see your kindness shine through!
We are so proud of you!

Den Class

Amelia, you have had a super week exploring lots of new textures using your senses. We are so proud of you! Well done!

Fox Class

Amber, I am so proud of your attitude towards your learning this week. You are always showing us that you are ready to learn. This week you also made a fantastic picture of the 'Leaf Man' with the Autumn leaves we have collected! Keep up the great work

Rabbit Class

Alfie, for your super efforts this week in our phonics lessons. Alfie has been locked into his learning and has impressed us with the progress he is making with his letter sound recognition. He has been practising at home too. Well done Alfie. We are so proud of you!

Hedgehog Class

Isaac, for great work writing sentences about autumn this week! You have written super sentences with capital letters, full stops and finger spaces. You even challenged yourself to add wow words to describe and use sticky plaster word. What super writing Isaac! Keep being a super star learner!

Squirrel Class

Amine, for your super phonics this week. You were able to spot the special friends in the green words and have done some super Fred Talking! Well done and keep up the great work!

Badger Class

Jaxon, you have worked really hard to answer questions and share your ideas in class this week! You have also shown fantastic Ready Eddie skills of keeping on going, even if things got tricky! Your pencil grip is getting much better too! Keep being a Ready Eddie learner, I am so proud of you!

Deer Class

Mia, for settling back into Deer Class so quickly and easily! You have shown that you can listen carefully, lock into learning and tried really hard to be the best that you can be! I'm so glad you are a Deer!

Well done to all of our Ready Eddies this week!

Important Information Regarding the Use of Privately Owned E-Scooters

Legal Classification

Privately owned e-scooters are legally classified as motor vehicles under the Road Traffic Act 1988. As privately owned e-scooters cannot currently obtain the insurance required for lawful use on public roads, it is against the law to ride them in public places, including roads and pavements.

Responsibilities of Parents and Guardians

Parents, guardians and other adults should be aware that knowingly allowing a child to use a privately owned e-scooter unlawfully may result in the adult being prosecuted for a "cause or permit" motoring offence.

Allowing the use of an uninsured vehicle can result in 6 penalty points and a £300 fine. Penalty points may also have implications for the individual's driving record and future vehicle insurance.

Consequences for Young Riders

Pupils who ride privately owned e-scooters in public may also face legal consequences. These can include:

- Seizure of the e-scooter by police under Section 165 of the Road Traffic Act.
- A penalty for using a vehicle without insurance, potentially resulting in 6 penalty points and a £300 fine.
- A penalty for riding without the appropriate driving licence, potentially resulting in 3 penalty points and a £100 fine.
- Additional penalties for offences such as ignoring traffic signals or using a mobile phone while riding.

Where a young person does not yet hold a driving licence, penalty points may be recorded against a DVLA "ghost licence" and can become relevant when they later apply for a provisional or full driving licence.

Request to Schools

We ask schools to ensure that pupils and parents are made aware of these legal requirements and the potential consequences of using privately owned e-scooters unlawfully.

Schools may wish to include this information in communications to parents, assemblies, newsletters and relevant road-safety education.

Our priority is to help keep young people safe and ensure that pupils and their families understand the legal responsibilities associated with e-scooter use.
